FROM THE PRINCIPAL
I was away with the Year 6 students on their camp last week so once again I would like to say welcome back to everyone and a special big welcome to all our new families across the school. It has certainly been a very smooth start to the new school year with all grades being really settled into their daily routines and already commencing on their work requirements. This is especially so for our new Preps who, even though it has been a hot and muggy beginning, have started off the year so well. We have started off the year with 428 students compared to the 413 that we commenced with in 2013.

The weekly school newsletter is a very important avenue of communication between the school and home. Each week there is significant information that is passed on to families via this publication as well as reports of upcoming events and activities that have been happening around the school. It is essential that parents make sure that they read the newsletter every Thursday and note the upcoming events and essential information.

FUNDRAISING MONEY
In 2005 while the Stage 2 building works was being completed, the school community decided to form a Cooperative and borrow $200,000 to help pay for extra store rooms in the hall, the entrance foyer and toilets and extensive landscaping works. This was done with the idea that the school community would be using these facilities into the future and should be the ones to help pay for this loan. Each year, our fundraising target is to raise at least $28,000 to cover the repayments of this loan. We have just under two years left of this 10 year loan.

Any excess funds raised over the year are put back into the school. Thanks to the wonderful efforts of our Parents’ Club in 2013 we were able to cover all of our commitments for our loan repayments while still being able to direct some of the excess funds to purchase extra resources for the school. Thank you to the whole school community for all of your efforts in 2013. Please continue to support the school in its fundraising efforts this year.

PARENT INFORMATION SESSIONS
The class information sessions will be conducted next week. Each year level will have a focus on some part of the curriculum followed by time in each classroom to hear from the class teacher regarding expectations for the year. Bronwyn Orr and I will supervise the yard after school during these sessions so that all children will be monitored and cared for.

- Prep & Yr 1 Information Session – Tuesday 18th Feb – 3:45 to 4:30
  Focus - The Walker Learning Approach (Investigations)
- Yr 2 Information Session – Wednesday 19th Feb – 3:45 to 4:30
  Focus - Reading and Spelling Homework
- Yr 3 & 4 Information Session – Monday 17th Feb – 3:45 to 4:30
  Focus – Homework, Reading, Spelling, Matrix and times tables
- Yr 5 & 6 Information Session – Thursday 20th Feb – 3:45 to 4:30
  Focus Yr 5 – Homework, Camp & Goals and Yr 6 - Numeracy & Goals

These Information Sessions will be followed by Parent/Teacher interviews which are scheduled to take place the following week beginning Monday 24th Feb. The return slips for preferences will be sent home shortly. These initial interviews last for 10 minutes and are primarily for parents to discuss their child with the class teacher – their children’s strengths and weaknesses, their likes and dislikes, interests and hobbies, etc. Please keep to the 10 minute allocated times so that the timetable across the school can be maintained.

SCHOOL COUNCIL ELECTIONS – 2014

Each year we need to hold elections for half of our School Council membership. More detailed information will follow in next week’s newsletter calling for nominations and the timeline for our School Council elections.

What is a School Council and what does it do?

All government schools in Victoria have a School Council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a School Council is able to directly influence the quality of education that the school provides for its students.

Who is on the School Council?

There are three possible categories of membership:

A mandated elected Parent category. More than one third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child’s school as long as they are not employed at the school.

A mandated elected DEECD employee category. Members of this category may make up no more than one third of the total membership of School Council. The principal of the school is automatically one of these members.

An optional Community member category. Its members are co-opted by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

The term of office for all members is two years. Half the members must retire each year, creating vacancies for the annual School Council elections.

Why is Parent membership so important?

Parents on School Councils provide important viewpoints and have valuable skills that can help shape the direction of the school. Those parents who become active on a School Council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?

The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider standing for election as a member of the School Council encouraging another person to stand for election.

Do I need special experience to be on School Council?

No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

What do you need to do to stand for election?

The principal will issue a notice and call for nominations following the commencement of Term 1 each year. All School Council elections must be completed by the end of March.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DEECD employees whose child is enrolled in a school in which they are not employed are eligible to nominate as parents for the School Council where their child is enrolled.

Once the nomination form is completed, return it to the principal within the time stated on the notice of election. If there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Remember

Ask at the school for help if you would like to stand for election and are not sure what to do. Consider standing for election to council this year. Be sure to vote if an election is necessary.

Parents are most welcome to attend any School Council meeting as observers with the next meeting for the current School Council members to be held next Monday 17th February.

Contact the principal for further information.

PARENTS’ CLUB
The Parents’ Club is another very important group in our school. This association is certainly an integral part of our school community – co-ordinating our fundraising and social activities across the year. Each year the Parents’ Club holds its Annual General Meeting in March to elect its new executive for the year. This time we are attempting to be a bit more proactive in seeking Expressions of Interest for the executive positions for 2014 so that we can have everything in place before the March AGM. All activities for 2014 are already organised with most having their co-ordinators already in place. This group organises many of our social and fundraising activities across the year with the understanding that we raise at least $28,000 each year to cover the loan repayments of the School’s Cooperative. This loan only has two years to run on its 10 year lease arrangements. This group also coordinates the Class Reps and looks after many events including Grandparent’s Morning Tea, School Disco, welcoming new families into the school, hiring equipment, first aid room linen roster, etc.
I would ask that you consider supporting and joining this very important group and even consider nominating for one of the executive positions that are vacant this year.

2014 EXECUTIVE POSITIONS FOR CHATHAM PARENTS’ CLUB
Following last year’s articles regarding Executive Committee roles on Parents’ Club, I am pleased to inform you some of the current holders are wishing to continue in 2014. Consequently, whilst we encourage people to consider any position on the Executive Committee, the roles we are specifically seeking Expressions of Interest for are: Vice President and Secretary.
It is hoped the Vice President role will be filled or job-shared, by at least one person willing to carry on in 2015 for continuity in the Parents’ Club activities.
If you are interested in nominating for one of these, or any other role, I encourage you to review the job descriptions on the website or speak to the current role holders about their experience to gain an understanding of what is involved.
I urge you to support this very important group in our school. Anyone wishing to nominate can do so via the Parents’ Club Executive Committee Nomination Form available on the website and submit it directly to me. Even if you do not want to be a part of the Parents’ Club Executive please support this very important group in our school and make a time to come along to their morning and/or night meetings this year.

YEAR 6 CAMP
A very tired but happy group of Year 6 students returned from their camp on the Gippsland Lakes last Friday. The weather was very kind to us enabling everyone to enjoy all of our planned activities which included canoeing, donuting, hut building, ropes and initiatives courses, raft making, stand up paddle boarding and sailing. A big thank you to the teachers who accompanied these children and helped ensure that our Year 6 students all had a positive and rewarding camping experience.

2014 STUDENT LEADERSHIP POSITIONS
Our Year 6 students have certainly had a busy start to their school year. This week they have started the process for selecting all of the leadership positions for 2014. They will be nominating, delivering speeches and voting for the school leadership positions for 2014. We are proud of the Leadership Program that we offer our students. Each Thursday afternoon we hold Leadership sessions where each of our student leadership teams work with various staff on different projects.
All of our 54 Year 6 students will play a very important role as school leaders at Chatham Primary School. This year we will have the positions of School Captains, Vice Captains, House Captains, Peer Support Leaders, Junior School Councillors, Science, Art, Music, Japanese, Environment and Library Leaders. We hope to be able to announce these positions at our school assembly next week on Friday February 21st.

CANTEEN
A reminder that the school’s canteen will commence operations next Monday, the 17th February. Please make sure that you put your names down on the roster. If you are able to help out in the canteen in any way then please contact Steph Reid our Canteen Manager for 2014.

CURRICULUM DAYS
We held our first two curriculum days at the start of the year where all staff were involved in the following:

**Tuesday**—we held a full staff meeting in the morning where teachers reflected on the protocols and procedures around school operations. The next session was used to cover the necessary professional development that we need to maintain our first aid training. Thank you to one of our ex-parents, Tony Armour, for delivering the instructions and information around the issues of epipens/anaphylaxis, diabetes, asthma, epilepsy and the use of a defibrillator. Teachers spent some time talking with last year’s teachers about their new students and some of our teachers delivered some professional development around our Investigations program. The afternoon was used for teacher meetings, moving of furniture, collection of materials and resources, as well as classroom preparations.

**Wednesday**—This morning session was used to look at all aspects of our data from 2013 and how this is tracking against our school’s Strategic Plan. This was followed by more professional development around Literacy and Numeracy and our assessment timetable for the year. Teachers then spent time on a handover by discussing last year’s students with their new teachers. The rest of the day was spent in level teams planning for this term’s units of work as well as preparing their classrooms in readiness for the first day of school.

There will be two more student free curriculum days this year. More details on this date will be published later.

DOGS AT SCHOOL
Many parents like to walk up to school with their dogs. Please remember that all dogs must be on a leash and under your control and supervision at all times. Parents need to be aware that some children are frightened of dogs while others have limited exposure and do not know how to approach dogs safely. Tying them up in the yard as you visit the classroom is not really acceptable as students may approach your dog without you being there to monitor their reaction. Leaving them tied up at any of the school gates unattended is also not acceptable. I am sure that the last thing you would want is your dog to bite or snap at a student. If you bring your dog to school also please ensure that they do not leave any deposits behind in the school yard. Please pick up after your pet and monitor them and keep them under your supervision at all times whilst in the yard.

FRONT DOOR ENTRANCE
A reminder to everyone about the use of the front door entrance of the school. We would prefer that students and parents do not use the front door to enter the school in the morning or to use it to leave the school at the end of the day. We have instructed students that they may use this entrance during the day if they need to come to the school office or sick bay with an urgent matter, otherwise they must walk around the school at either end of the building. If parents also do not use this entrance, then it will help cut down on the congestion around the school office during these busy times of the day.

CHATHAM’S SUPPORT STAFF
As part of the Boroondara Network of Schools we have the services of some support staff at Chatham. Margaret Naughton is our Guidance Officer and will be working at our school for one a day a fortnight this year. Katrina Warren is our Department Speech Therapist and will also be working at Chatham one day a week for three weeks out of every four. Both staff members work part time and have a number of other schools in the network to service as well as Chatham. Please contact your class teacher or Bronwyn Orr if you have any concerns and would like to access one of these services.

SCHOOL ASSEMBLIES
Our first assembly for the year will take place tomorrow, Friday 14th February. I would encourage parents, if time permits, to come along to our assemblies on a Friday afternoon commencing at 2:40.

**Teacher Profiles**
This term we will be featuring staff profiles in our newsletter. The students love finding out about teachers’ likes and embarrassing moments during Teacher Features in Assembly, so we thought the rest of the community might like to get to know the staff outside of their child’s immediate class and year level as well. We will be sharing the profiles teachers created for their 2014 students at the end of last year, as part of the Transition process.

Hello! My name is Miss Matheson. My favourite colour is blue because it reminds me of the ocean and the beach in summer. My favourite food is wood-fired pizza, especially traditional margherita... YUM! I love going away with my family to a country town called Yarrawonga where we water ski and wake board. I love to dance, sing and have fun! I am teaching Year 3 this year so my students will need to be ready for a fun year full of lots of laughs and learning!

![Miss Matheson](image1.png)

Hello! My name is Miss Colombo. My favourite colour is turquoise and my favourite food is my mum’s pumpkin soup! I love my dog ‘George’ who I adopted from the pound. He is a beautiful Mastiff cross Staffy who loves cuddling on the couch. I like to cook different cuisines, but I don’t really like baking because my cakes always burn! Last year, I was lucky enough to go to Greece and Bali. My favourite holiday destinations so far are Italy and the Cook Islands. I like playing netball with friends and going to the beach. I am teaching Year 6 in 2014.

Don't forget! Book Club orders are due: Friday 21st Feb
In 2013, the points accumulated from Book Club orders translated into over $1700 in school supplies for Chatham’s library and classrooms.

As an added bonus, many happy families added discounted books to their own home libraries, or those of friends and family.

In 2014, the Book Club at Chatham Primary School will again be offering an excellent range of books at discount prices. Catalogues will be sent home twice a term with each child (each child gets their own set of brochures, as some brochures are age specific). All orders will generate points that then translate into new supplies for the school.

**To order your book club books:** please ensure you write your child’s **name and class** on the top of each form. Payment can be by cash, credit card or cheque (made payable to **Scholastic Australia**).

If you pay by credit card, you need to ring the number on the form and follow the prompts. You will be given a receipt number to write on the form – this receipt number must be handed in as ‘proof’ of your credit card payment.

It is really helpful if you can write the method of payment on the envelope containing the forms and payment.

The date the orders are due will be published in the school newsletter.

When the orders arrive, they will be delivered to your child’s classroom. If ever you have a ‘surprise’ order (eg for birthdays or Christmas), please write a note on the top of the form ‘Hold at office’, and the orders will be held at the office for collection.

If you have any questions, please give Karen a call on 0400 833 975.
