FROM THE PRINCIPAL

INDUSTRIAL ACTION

The State Government has been negotiating with the Australian Education Union around the teachers’ next agreement for well over 18 months. These negotiations have not been resolved and the Australian Education Union has been introducing new forms of industrial action over the last 6 months. Some of these actions have included not completing Departmental surveys, not responding to Department emails, ceasing the introduction of the new Australian Curriculum program, not attending Department briefings, walking out if any Government Minister should enter the school grounds, only attending a certain number of hours of after school meetings per week and taking full and half day stop work actions. Due to the recent breakdown of these negotiations, the industrial actions carried out by teachers are planned to escalate.

As part of a new range of industrial action all union members will not be completing the usual format for the end of year student reports. All teachers at Chatham are union members. The union has directed its members to only include the teacher judgements against the Victorian Essential Learning Standards (VELS) graph. This means that there will be no comments made against the VELS in any of the key learning areas. The union sub branch at Chatham has decided to be a little more flexible about these reports though and have agreed to write a general teacher’s comment for each child outlining their behaviour and attitude to work. The specialist teachers will also be making similar comments against their learning area but there will be no comments made against the learning outcomes for your child.

I know for a fact, that the great majority of schools across Victoria will be following the directive made by the Education Union. Chatham’s union sub branch has decided to take their course as professionals who value the strong relationships we have with our families as well as valuing the students that they have had in their care for the last 10 months, whilst still attempting to make a stand as part of the Union. It is usual for teachers at Chatham to spend well over 40+ hours of their own time, at night and on weekends, to complete student reports. This is equivalent to two extra week’s work.

So, this action will mean that reports from Chatham this year will be different.

- They will display the progression points graph of student achievement against VELS
- There will be no comments made about student achievement against VELS
- Teachers at Chatham have decided to write a general comment for each student in relation to class behaviour and work attitude.

Another proposed action, that may certainly affect our school, will be the work to rule action that is planned to commence at the beginning of next year. This will mean that teachers will work only to their designated hours of employment. This means no meetings will be attended after 4:30pm. This may include parent information evenings and interviews. The biggest issue for us may be its effect to our camping program. Our Year 6 students are due to head off on their school camp in the first full week of the new year and the Grade 5s are booked to attend their bike riding camp at Maldon a couple of weeks after this.

When teachers volunteer to join the students on camp they are on duty for 24 hours of the day for 5 or 4 days of the week. I am continuing to plan for both of these camps including putting in contingency arrangements to staff these camps to their correct ratios. At this moment it is still my intention to proceed with these camps. Next year’s 5 & 6 parents and students will be kept informed about the planning for these camps.

More stop work days are planned and the union has flagged other industrial actions that could be introduced in the new year.

SCHOOL UNIFORM SHOP

The school has been running its own uniform shop for as long as I can remember. It has always been a significant service that the school has been able to offer our community. Over the last few years we have been finding it harder to find parents willing to volunteer their time to manage and run this service. The current staff, Sarah Hobson and Cathy Gleeson have been doing a wonderful job in running this service but have found it difficult to work with a number of providers while keeping the uniform costs down, as well as managing stock and orders. It is a big job! The shop hours have been cut where it is now only open for 30 minutes on a Thursday afternoon. Many parents have moved to placing orders as they cannot get to the shop or when they do find the time, joining the long line to wait for service.

Over the last few months our School Council has been looking at the various options for the running of our Uniform Shop. These options have included:

- Maintaining the service as it currently operates
- Maintaining the service but increasing the cost of the uniform to allow us to employ a parent manager
- Maintaining the service but using an outside provider to run this shop on our site
- Outsourcing this service to an outside provider.

A subcommittee of School Council was formed to investigate all of these options and then put forward the positive and negatives to be considered. After this investigation, School Council decided to pursue the option of outsourcing this service to an outside provider. A number of private companies were approached to tender for taking over the supply of our uniform. Four companies were considered and after an extensive tender process, the details of the preferred supplier were presented at our last School Council meeting. At this meeting the School Council approved Surrey Clothing to be the preferred supplier of our school uniform.

As of the 17th of December this year the Surrey Clothing Company will take over the supply of our school uniform to Chatham families. The Surrey Clothing store is located at 161 Union Road, Surrey Hills. This shop is open every week day, Monday to Friday from 9:00am to 5:00pm, and on the first Saturday of every month from 10:00am to 1:00pm. Orders can be submitted on line with all orders delivered to the school within 3 working days. The benefits of this decision are varied but include:

- More available hours for parents to shop
- Taking away the large amount of stock on hand, freeing up funds and space currently used by the school uniform shop
- We are no longer dependent on the good will of our parents to volunteer their valuable time to run and manage this shop
- This will be a much better shopping experience for parents and students, especially having the opportunity for children to try on the uniform
- The school will be dealing with 1 supplier and not the current 4 suppliers
- Prices and quality will remain relatively unchanged to current stock
- Online shopping and ordering service will now be provided.

We understand that this decision takes away the long history and culture of this service being provided by the school. Family situations have changed greatly over the last few years at our school and we are finding it harder and harder to staff and manage this service. School Council believes that this decision will benefit everybody and have placed some performance measures in place to ensure quality, reliability and value for money for our Chatham families. The uniform clothing list has been modified to delete items that have not been popular or selling as well as clearly defining the Chatham uniform. With this understanding we have allowed 3 years to phase out any articles of the old uniform that are no longer part of the approved standard uniform.

I have posted a FAQ’s section on the home page of our school web site. These questions and answers have been compiled by Louise Ross (1Mc) who has also agreed to act as a point of contact for anyone with further questions or concerns.

In light of this change of provider we have also reviewed our School Uniform Policy. This can also be found on the school website. This revamped policy reflects our commitment to Surrey Clothing as our preferred supplier and places a stronger emphasis on all students wearing the prescribed uniform to help instil a sense of pride in our school.

NAPLAN SUMMARY

In May each year all students in Years 3, 5, 7, & 9 sit the NAPLAN test (National Assessment Program - Literacy and Numeracy Tests). Students at these year levels undertake tests over 3 days in Language Conventions, Writing, Reading and Numeracy. For our students, the format and formal structure of these tests are certainly very different than any other form of assessment that they undertake at our school. NAPLAN is a national assessment task with our results being compared to the Victorian benchmarks, national benchmarks and eventually similar school’s results.

This year’s results for our Year 3 & 5 students are generally very pleasing and in some areas have shown some huge improvements. These results certainly highlight the wide range of ability in all areas of the curriculum, with some students working well above their expected level and some students needing extra support and assistance. This year’s NAPLAN results are depicted in a box plot or box and whisker graph. Simply the top whisker represents the top 20% /90th percentile of the marks from our students. The coloured box depicts the middle 50% of marks from our students with the black line representing the median mark. The bottom whisker represents the bottom 20% /10th percentile of the marks from our students. The top 5% and bottom 5% are not represented on these graphs. Our results are compared to the State benchmarks.

YEAR 5 RESULTS :- Our Year 5 students are performing at a high level across all areas tested. In all areas tested our median is well above the state median. Our ‘tails’ in all areas are not as long as in previous years and depict that those students while working below the expected level, are performing at the equivalent of almost 12 months ahead of the state’s tail. This is something to be celebrated and reflects, in part, the school wide approach to differentiating the curriculum to meet individual student needs in the classroom. Equally, this year in Writing, our Year 5 students are considerably above the state mean - the top of our box is almost equal to the state’s top whisker, while our top tail is considerably above that. This again, in part, can be attributed to the whole school approach to teaching Literacy and a very concentrated effort by class teachers and Literacy Co-ordinator Glenda Kelly to improve our writing outcomes. Results in Numeracy also highlight significant strengths. Our tail is short and shows those students at the bottom tail are operating above that of the state’s 25th percentile. Our median is almost the same as the state’s 75th percentile and our top tail is notably above the state’s top tail.

Unfortunately a VELS equivalent in Writing is unable to be given due to the change in Writing Genre. Therefore a graph using the National Bands has been provided.

Chatham PS Yr 5 School Summary Report – VELS equivalent
YEAR 3 RESULTS – The Year 3 results are also pleasing. In almost all areas the median is above the state median, considerably so in Reading, Grammar and Punctuation and Numeracy. Once again the bottom tails mirror the Yr 5 tails in that they are all above the state tails, and in all, except Writing, these students have once again achieved results similar to those students achieving at the 25th percentile of the state. Similarly our top tails in almost every area are above the state’s equivalent percentile. While our Writing results appear lower than other areas, with the continued targeted instruction that has only been introduced in the past 12 months, we would hope to see improved improvements in this cohort’s results in 2014.
These NAPLAN results are reviewed by all staff, the school’s leadership team, by each level team and by individual teachers. It is important to remember that NAPLAN is a one off test situation that is conducted over 3 days earlier in the year. Our students have certainly moved a long way since then. The NAPLAN is only one form of assessment that teachers use in compiling and monitoring the strengths and weaknesses of students. NAPLAN forms one piece of a large array of assessments on each individual student’s achievement. Teachers use multiple sources of evidence to place students on a learning continuum by using ongoing assessments and are daily collecting data and information on each child to build a ‘big picture’ for each student.

CLASS PLACEMENTS FOR 2013
This week students have been surveyed on who they consider to be their friends and who they think they also work best with (most times these are not the same people) to help teachers formulate prospective classes for next year. As communicated last week I am inviting families to submit to me in writing, any important information that they feel might help in the student placement of our Year 2013 class arrangements by tomorrow Friday 30th November. If you have any important educational issues regarding your child’s class placement next year, please write to me personally and outline your concerns. Your knowledge of your own children is important to us in the placement process. All requests will be confidential and considered by me in light of the very thoughtful and thorough arrangements that are in place for class placements by teachers. Please mark these letters ‘Confidential’ and address them to me personally via the school office.

Please remember that any requests regarding particular teachers cannot be accepted.

2013 SCHOOL FEES
All families who are returning to Chatham next year have received their fee schedule for 2013. This fee structure has been approved by School Council and is slightly higher than this year’s amount. These fees need to be paid before collecting the student materials from school. Student materials will be available for collection from school on the day before students return, Wednesday 30th January 2012.

Under Department guidelines we are required to break the fee structure up into 3 sections:
1. Essential education items which parents and guardians are required to provide or pay the school to provide for their child.
2. Voluntary financial contributions are those in which parents and guardians are invited to donate to the school to help supplement the wonderful programs and facilities that we offer at our school. Optional extras are those items which are provided in addition to the “standard curriculum” but are essential items which are offered and available to all students. These may include excursions, camps. Swimming, Chess Club, etc. These fees need to be paid before book pick up day on Wednesday 1st February. Please contact the school office if you have any difficulties with the payment of these fees. Thank you for your ongoing support of our school.

KOORI GARDEN OPENING
This was a great afternoon where we were able to acknowledge and celebrate all the hard work put in by so many people to design, construct and establish our Koori Garden. We had a number of invited guests including our past Assistant Principal, Marion McAuliffe who was a driving force behind many of our sustainability initiatives. It was great to see her again after her retirement. Mr Bill Nicholson, a Project Office and Koori Elder from the Wurundjeri Tribe spoke to all the students about the history of the Kulin nation. He also conducted the traditional Welcome to Country and Smoking Ceremony. Thank you to everyone who has helped with this project and to everyone who was able to attend this garden opening.

WORKING BEE
The next working bee is scheduled for Year 1 families on Saturday 8th December. Please make some time during the morning to come along and help us complete some of the many tasks that we have planned for the big clean-up day before the holidays.

HOOPTIME STATE CHAMPIONSHIPS
We had our Year 6 Boys’ basketball team playing in the Hooptime State Basketball Championships last Tuesday. The team played really well, reaching the last 8 only to be knocked out in the semi-finals. Thank you to Greg Powell for coaching this team and congratulations to all the boys for their great effort in making it to this level.

INSTRUMENTAL MUSIC

END OF YEAR SOIREE
This year’s End of Year Soiree will be held in the school hall on Wednesday 12th December at 7.00pm. The Soiree will feature the Vocal Ensemble, School Band, Year 6 Soloists, small group performances and other selected soloists. The evening will conclude with a massed carol performance. Please note the date in your diaries, more details will follow in the coming weeks.

INSTRUMENTAL 2013
To assist us with planning for 2013 we are asking all current instrumental students to indicate if they intend to continue lessons for first semester next year. We would also like to invite any student from Years 2-6 who would like to start learning an instrument to fill in an expression of interest.
At this stage it looks like the cost of lessons will remain at $26 for a 30 minute individual lesson and $16 for a 30 minute lesson in a group of two, plus a $30 administration fee per semester. Enrolment forms will be sent out in a few weeks time to confirm enrolments.
Lessons will be available on Piano, Violin, Flute, Guitar and Drums. If there is enough interest we may also be able to offer Clarinet, Trumpet, Cornet and Trombone. If you are interested please fill in an expression of interest form at the school office or send your child’s name, class and instrument interested in playing to howes.wendy.j@edumail.vic.gov.au

SALVATION ARMY CHRISTMAS HAMPERS

The Chatham Christmas Outreach Program was set up to assist those families in Melbourne who need help to enjoy this special time of the year.

As in previous years, we are continuing to work with the Salvation Army to provide families in need with food hampers.

A basket will be placed in each classroom and families are asked to provide one or two items for each basket - last day for donations will be Thursday, 13th December.

The baskets of food will be collected from each classroom, sorted and wrapped, ready to be collected by the Salvation Army on FRIDAY 14TH DECEMBER and then distributed to families in need.

A list of suggested items is included on the back of this sheet and a copy will also be placed in each classroom.

Chatham has been a generous provider over many years and we ask for your continuing support this Christmas.

SHOPPING TIPS & HELPFUL HINTS:

- Ring-Pull Tins are Preferred! Tins with ring-pull lids are most helpful, as not all people receiving the food will necessarily have access to a can opener.
- Long Expiry Dates Please. Please ensure foods donated are non-perishable and their expiry dates are well into next year.
- Please Avoid “No-Name” Brands. Wherever possible, please refrain from purchasing no-name brands, as people will be receiving these goods as a gift. This is a simple way to make our “battling” Aussies feel a little extra special at Christmas.

Perishable items, personal care and alcohol cannot be included
OSHC NEWS

Hello people of Chathamland,
As the year begins to wind down, the OSHC house starts to look forward to next year. But before we can say hello to next year, I would like any kid that has any art work up on display at the OSHC house to come down and collect it. Because the OSHC house starts next year fresh and I don't want anyone to miss out of some of their amazing art work.
