FROM THE ACTING PRINCIPAL

YEAR 6 LEADERSHIP POSITIONS FOR 2013

At last Friday afternoon’s assembly Stephen had the great pleasure of announcing our Year 6 Leadership positions for 2013. At Chatham, we are very proud of our leadership program in that all of our 60 Year 6 students hold positions of responsibility. We value all of these positions as being equally important and providing our students with fantastic opportunities to develop their confidence, leadership and organisational skills. Every one of our Year 6 students are school leaders and understand the importance of these positions in setting the tone of the school and in becoming the acceptable role models for all our students. Our Year 6s have been groomed for their positions of responsibility since last year when they took on the role of Yr 5 Buddies to our 2012 Preps, as well as having participated in a Speaking with Confidence program in Term 4 in readiness for running our school assemblies. These extra-curricula programs including the Yr 6 Leadership program which operates every Thursday afternoon are supported by various staff members to ensure that all students are provided with opportunities to develop these important skills.

Congratulations to the following Year 6 students on being selected for their 2013 Leadership Positions

FAIR FEVER
If the hive of busy parents around the school is anything to go by then the Summer Fair is sure to be a great success after all the hard work that has been put in for the past 18 months. This Saturday is our big fundraising and community event so we all look forward to fine weather and lots of fun on Saturday afternoon and evening. If you still haven’t put your name down to help out on a stall on the day, volunteers for setting up on the Saturday morning and cleaning up on Sunday morning will always be appreciated.

SCHOOL ASSEMBLY – STOP PRESS
Due to the Fair this Saturday and setting up the hall in preparation on Friday, there will be no School Assembly tomorrow. As this was to be our Year 6’s first opportunity to run our Assembly in their new leadership roles, we have decided to hold a special Monday morning assembly at 9am instead, so that reports and awards are still relevant and the buzz of the school fair is still in the air! The Friday assembly for next week will also still go ahead as planned at its usual time of 2:40pm. It was great to see so many parents in attendance at our last Friday assembly.

SCHOOL RULES
Tomorrow the Classroom Rules, Specialist Rules, Rules for Riding Bikes, Ripsticks, Skateboards and Scooters to School, and Outside Rules will be going home with every student. Please read over these rules with your child and sign and return the Code of Behaviour slip. All grades have been working on establishing their class rules so that their classroom is a safe, happy and productive place to be each day.
While it’s great to see so many of our families out walking and riding to school each day, sometimes it is hard to police students once they are out of the school grounds to ensure they are riding safely and dismounting and wheeling their bikes and scooters in the following streets for pedestrian safety: Benson Street, Weybridge Street between Wharton Street and Banool Road, and Banool Road along the school boundary. This year I am encouraging all our families to take the opportunity to walk or ride to school with their children on Ride2School day, Friday 22nd March, and practise and reinforce these safe behaviours. More promotional material will be coming in the following weeks.

HEALTH PROMOTING SCHOOL
Involvement in activities such as Ride2School Day are a great way to get active and promote health and well-being for all members of the school community. This year we are beginning a new journey to become accredited as a Health Promoting School after the success of our Sustainable School 5 Star Award. There are 8 health priorities that the school must work through over the next few years such as, Healthy Eating and Oral Health; Physical Activity; Mental Health and Wellbeing; Safe Environments and Sun Protection. As this Achievement Program is also about ensuring the heath of all community stakeholders in the school, I will be looking for parents who are interested in joining the Health and Wellbeing team as an extension of the Education Committee. More information in next week’s newsletter to follow.

SCHOOL UNIFORM
We’ve managed to get through the start of the year with a fairly seemless supply of uniforms, despite moving the uniform shop to Surrey Clothing. Surrey Clothing have done a great job in ensuring a continuous supply of uniforms and have been very keen in offering advice and feedback to us. Thank you to all the families who have made this work as the school will benefit from this. Just a few reminders:
• The school gets commission on every purchase you make. So please make sure you tell the staff at Surrey Clothing, at the point of sale, that you are from Chatham.
• 2nd hand purchases are still available at the school office. We aim to keep this service at school. We really encourage all families that no longer need their good quality uniforms, to give them to the school so we can sell them via the 2nd hand channel.
• We have updated the Uniform page on the Chatham website with a "users guide to purchasing uniforms". This document is written by experienced Mums who have very good knowledge of the uniform garments and trends over recent times. If you are considering buying an item, take a look at the document - you might get some useful tips!
• If you have any feedback, please register it using the Surrey Clothing website. We will be looking through the feedback at our quarterly partnership meetings with the aim to improve the offering to families.
Our first partnership meeting with Surrey Clothing will be at 3:40pm on Wednesday the 13th. All welcome. If you want to participate, please let Louise Ross know on louise.ross27@gmail.com

PARENTS HELPERS COURSE – LIBRARY 9.15AM TO 10.15AM

THURSDAY 28TH MARCH
LAST DAY OF TERM – SCHOOL ENDS AT 2.30PM
This course is designed to support parents who assist in the classroom.

On Tuesday, 26th March in the School Library, from 9.15am – 10.15am there will be a literacy course for parents called ‘Classroom Helpers’.

This course is designed to support parents who assist in the classroom and is linked to the classroom literacy program.

The course will:

- Develop in participants an increased understanding of the development of literacy skills.
- Demonstrate various learning situations to participants so they can act as role models for students in classrooms.
- Train participants in how to provide support for small groups of students.

If you have participated in a previous Classroom Helpers Course it is not necessary to attend again.

It is necessary to attend the course before you offer to help in any of the classrooms. If you can’t attend the course but wish to participate in the classroom, please speak to your classroom teacher.

Please complete the form below if you wish to attend the course and return to the school office by Tuesday 19th March, 2013.

Looking forward to seeing you all there.

AMANDA HUME - 1H/M CLASS TEACHER

Please complete and return to the school office by Tuesday 19th March.

We Still Need Some Equipment for the Fair

Please don’t forget to bring up any equipment you can loan us. We still need kids’ easels, market & beach umbrellas, extension leads and plastic bags. These can be left in the shelter shed in the Friendship Tree quad-rangle. Thank you for your help.

Fair Helpers

Thanks to a great response to our requests for helpers, the rosters are almost covered! There are just a few shifts remaining, and we’d like some stand-by helpers, and more volunteers for set-up Saturday morning, and clean-up on Sunday morning. Please contact Sue O’Hehir for more details; slohehir@gmail.com 0411 548 996. Many thanks!

A BIG THANK YOU TO THE FOLLOWING BUSINESSES FOR THEIR SUPPORT FOR THE SCHOOL FAIR.

ONLY 2 DAYS TO GO!

Remember to deliver your delicious home baked goods TOMORROW (Friday March 1st) from 3.00pm – 4.00pm in the library or straight to the cake stall on Saturday March 2nd (Fair day), anytime from 11.00am onwards.

Pack them as per the instructions given in the pack. You just need to write on the front of the label what you have made, list your ingredients on the back of the label and attach it to the baked goods using the raffia ties provided. If you need more supplies, or didn’t receive your cake pack, please contact Sue in the office and we can provide all you need!

Thankyou!

OSHC NEWS

Well hello everyone, the year has started well and the Preps have started coming to the OSHC house and 8 square is in full swing.

The OSHC house received a lot of new and exciting equipment to start the year off. We got some cricket helmets and pads, juggling clubs, new face masks and heaps of cool paint.

Also the AASC is going well with Rugby Union on a Monday and Multi-sport on Wednesday. The kids also get the chance to do some cooking on different days as well.

If any parents want to know more about how the OSHC house or Camp Australia programs, please come down and speak to Rhett.

Thanks, Rhett

STAR OF THE WEEK AWARD...

Will be continued as soon as the Preps start coming full time, this will give all the kids the same amount of time to learn all the OSHC rules and know what to do to receive the ‘Star of the Week’ award.
Are you interested in helping improve our understanding of the associations between children’s health and diet?

The SONIC Study is coming to Chatham Primary School in Term 1.

Chatham Primary School has been selected to participate in a Victorian study looking at the salt intake in primary school children, funded by the Heart Foundation.

Excessive salt consumption during childhood can increase the risk of cardiovascular disease later in life. Given much of the food we eat is high in salt, it is likely that children are consuming more salt than recommended by dietary guidelines and that this may be impacting on their health.

Through this study your child will begin to understand the link between what they eat and what happens in their body.

- In this study we will measure children’s salt intake.
- This information is needed to help develop ways to lower salt intake in children, and in turn protect their health.
- We will also measure children’s blood pressure and body weight and examine the relationship between children’s salt intake and these factors.

Thank you to the parents who have already completed the forms. If you would still like to join us please complete the slip below and return it to the school office:

We look forward to your child’s participation in the SONIC study.

Kind Regards

Manuela Rigo
