SCHOOL COUNCIL ELECTIONS
Nominations for the four parent and the two staff positions on our School Council are due in by tomorrow. Representation on School Council is a very rewarding experience and gives you a great insight into what happens around the school. We have had some interest for these positions so I would strongly urge all parents to consider nominating for one of the vacant positions. Nomination forms can be collected from the school office but need to be signed and returned by 4:00pm tomorrow.

PARENTS’ CLUB AGM
Tuesday next week, 11th March is the Parents’ Club AGM. This meeting will take place in the school staffroom at 9:15am. The majority of positions have been filled but we are still seeking people for a couple of positions on the executive. Please make the time to come along to this very important meeting as we start 2014’s calendar of social and fundraising events that are already planned and in place across the year.

EVERY DAY COUNTS – SCHOOL ATTENDANCE
We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day. Missing school can have a major impact on a child’s future – a student missing one day a fortnight will miss 4 full weeks by the end of the year. By Year 10 they’ll have missed more than a year of school. There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes.

Coming to school every day is vital, but if for any reason your child must miss school, there are things we can do together to ensure they don’t fall behind:

• Speak with your classroom teacher and find out what work your child needs to do to keep up.
• Develop an absence learning plan with your teacher and ensure your child completes the plan.

Remember, every day counts. If your child must miss school, speak with your classroom teacher as early as possible. From 1 March 2014, new laws will mean that parents can be fined for not sending students to school without an acceptable reason. If you’re having attendance issues with your child, please let your classroom teacher know so we can work together to get your child to school every day.

MAINTENANCE WORK TO JAPANESE ROOM & OSHC HOUSE
The front of the OSHC house has been demolished in preparation for work and the stumps underground exposed for re-stumping work on the house. Work is progressing well. Families that use these entrances will need to walk up to the next set of gates further up Banool Road to enter or exit the school. The work site has been fenced off completely and, as a work site, it is important that no one enters this area unless directed.

WORKING WITH CHILDREN CHECKS
Any adults working with children in the school environment or going on excursions where they are not directly under the supervision of the teacher must have a Working with Children Check for volunteers. We would encourage all parents to obtain this check to enable them to undertake and be a part of activities that involve children. If you are new to the school, have not already obtained this check or need to update your details then please visit the website www.workingwithchildren.vic.gov.au to apply. Please contact the school office once the check has been received so that our records can be maintained.

PARKING
This still remains an issue around our school and no matter how many times I write about it in the newsletter we still have many parents who choose to do the wrong thing.
To help traffic flow I urge you to follow all parking signs, obey all road laws and be very aware that at busy times we have many children using the footpaths and roads too. These children are small, often not paying full attention and can sometimes act in an unpredictable manner. Please remember to;
1. Obey all parking signs and restrictions. The sections at the front of the school in Weybridge Street and along Banool Road are a 5 minute zone which should only be used for dropping off or picking up your children. Parents should remain in their car while they are waiting. These areas should not be used for long-term parking while you come into the school to pick up children.
2. Respect our neighbours and do not park across or into driveways. This includes keeping the school driveways clear as thoroughfares for parents and students.
To help keep the Banool Road traffic flowing I urge all drivers to enter this road from the Weybridge Street end, drop off or pick up your children and then continue down Banool Road to exit at the Whitehorse Road end.
Please consider other drivers, other students and your own children by obeying all rules and road safety around our school.

LATENESS
We all love a sleep in and as the days get shorter and a little colder we all find it just that bit harder to get out of bed in the morning. In saying that, it is extremely important that students arrive to school on time. The first music alert occurs at 8:50 and allows the students to enter their room and get ready for the day. This brief time gives them the opportunity to change their reader, hand in their homework, put their lunch order in the basket, hand the teacher that important note and catch up with their friends for a chat before school starts. School begins at 9:00am and the first few minutes of the day are the most important. The rolls are marked and the outline of the day is communicated to the class. Literacy blocks are usually conducted in the first part of the morning when the students are fresh and alert. If your child is late, then they may miss this important time with the teacher and will not understand the lead up to the purpose of the lesson. They will not be organised and focused and will naturally take time to settle down to work. They may also be embarrassed when they enter the classroom late to see their classmates already hard at work.
Lateness can be due to many reasons and caused by anyone, but parents should be proactive to ensure that their child is at school in time to be ready for the day ahead. Some tips for parents could be;
- Get the clothes, lunches ready the night before
- Don’t allow children to watch TV in the morning where they will be reluctant to move away from the lights, sounds & movements of the screen.
- Get your child to help you in the morning in preparing breakfast and cleaning up
- Wake them up well before you actually want them to get up & provide the appropriate incentives & praise when they are up, dressed and ready to go on time each day.
Be good role models in your own management and ensure that you are not the one that your child is waiting for.

If your child is 5 to 10 minutes late every day then this means that they will be losing anywhere up to two full weeks of school a year. This is a lot of learning time to miss, especially from the most important part of the day. Please make an effort and get to school on time.

YEAR 5 WORKING BEE
The next working bee will be for Year 5 families and will be held on Saturday the 15th of March. These working bees are essential to help maintain our school grounds in a safe and secure condition. Please find some time during the morning to come along and help out.

YEAR 5 CAMP
Next week I have the privilege of accompanying the Year 5 students on their four day camp to Derby Hill, Maldon. This is a bike riding camp where students have a police escort as they travel around the historic gold mining town of Maldon.

AROUND THE SCHOOL

Every few weeks I would like to write about some operations that occur around the school. This week I would like to outline some of the service we offer to our school community. These services are operated by parent volunteers. All are optional, but all provide the school with some necessary funds that we put towards essential aspects of the school.

School Banking – students can open a student account with the Bendigo Bank through the school. The students can make deposits by bringing their money and bank books to school every Tuesday. A member of the Maling Road Branch comes up to school to collect the bank books and deposit the money. This is a good way in helping students to develop the good practice of saving some money each week. The school receives some generous support that goes towards the Parents’ Club fundraising efforts.

Book Club – this is provided through the Scholastic Book Company. Each month a flyer is sent home with the students who choose to take one. Students can select some books from the list and submit their orders. Parents process these orders online and after a few weeks the books arrive. Parents then sort through the delivery and distribute them to each child as per their order. Each month we receive a credit voucher from Scholastic Book Company which is based on the total amount of orders. This credit voucher is used by the school to purchase books for the library and reading schemes.

Monthly Munchies – these are held every month and generally alternate between a morning tea or lunch. Once again it is optional whether your child has a Monthly Munchies order. Generally these are seen as a treat and a change from the very healthy menu that we offer in the canteen. The money raised from these days goes towards paying the wages of our canteen manager and also helps keep our canteen prices down.

LABOUR DAY HOLIDAY
Next Monday, 10th March, is the Labour Day holiday and students are not expected at school on this day.

PREMIER’S READING CHALLENGE
The 2014 Premier’s Reading Challenge has now opened. We will be chatting about the challenge in library classes next week and getting more information to children then. All students from Prep to Year 6 will be encouraged to participate as it would be great to see everyone being recognised for reading. There will be more details to follow in coming weeks.

TEACHER PROFILES

Take a look at this week’s Teacher Profiles which include Samantha Rodger who teaches one of our Year 4 classes in the middle school and for the first time we are featuring one of our specialist teachers Lisa Gilbert who teaches Art!

Hello! My name is Miss Rodger. I like doing things outside in the sun like having picnics, going to the beach and keeping my garden pretty. I also enjoy cooking, yoga and reading. My favourite colour is pastel yellow and my favourite type of chocolate is Haigh’s milk chocolate. I like to travel and explore new places. I look forward to teaching and learning lots of new things with all the students in my class.

My name is Mrs Gilbert, I am the Visual Arts Teacher. In my classes we work on painting, clay, printing, drawing and textiles. We also discuss many artists like Picasso and Monet and look at their style and influence. I have been teaching at Chatham Primary for 7 years now and really enjoy teaching Visual Arts. During my holidays I love to spend time at the beach with my family and I do lots of horse riding on the weekends with my daughters.

Ride2School Day
Wednesday 19th March

Last year we had a fantastic number of students who participated in the National Ride2School Day. This year we want even more children riding or walking to school on this day. Last Friday, as a benchmark, some students went around to all classes and collected data on the number of children that came to school on foot, bike, scooter, board or car. On this day we had 56 students ride/scooter to school and 160 students who used their feet. That’s a total of 216 students who were sustainable and active on this day. Remember PART WAY IS OK too! So ask mum or dad to park the car in James/Langford Street, Thornton Avenue or Norris Street and walk on that day. And you never know who you might meet as you ride to school!

Education Committee Meeting

The first Education Committee Meeting for the year is on Wednesday 19th March at 3:45pm in the library. Any parent is welcome to attend and a small afternoon tea is provided for children. The Education Committee both creates and reviews existing policies that operate mostly on a three year cycle and highlights programs and approaches to curriculum delivery within the school.

As the meeting is being held on Ride2School Day we will be reviewing the Cycling Policy, as well as looking at the Parent Participation Policy. These policies can be found on the school website.

So if you have an interest in either of these policies, we would love for you to attend and have input. There is no commitment on the day to attend every meeting for the year.

BOROONDARA POLICE—EYEWATCH
Boroondara Police have set up their own Facebook page called Eyewatch - Boroondara Police Service Area. Eyewatch is a Facebook page that enables the community to interact with the police in real time. It also provides a platform for police to distribute a range of information and advice on incidents and events within the local area. Eyewatch - Boroondara Police Service Area is now approaching its 1st birthday and they are looking to further establish their presence in the community and build their following. It’s a very effective tool that helps keep the community informed about what's happening locally and they would love to have more ‘friends’ on board. For those that already have a Facebook account; put Eyewatch - Boroondara Police Service Area into the search engine and hit ‘Like’ at the home page.

Scholastic Bookclub back for 2014
To order your Bookclub books: please ensure you write your child’s name and class on the top of each form. Payment can be by cash, credit card or cheque (made payable to Scholastic Australia).

If you pay by credit card, you need to ring the number on the form and follow the prompts. You will be given a receipt number to write on the form – this receipt number must be handed in as ‘proof’ of your credit card payment.

It is really helpful if you can write the method of payment on the envelope containing the forms and payment.

If you have any questions, please give Karen a call on 0400 833 975.

In primary school, some students miss on average 3 weeks of school per year. That’s half a year of school by the end of year 6.

Every Day Counts
Primary School Attendance

Going to school every day is the single most important part of your child’s education. Students learn new things at school every day – missing school puts them behind.

Why it’s important
We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day.

If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school.

There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes.

Each missed day is associated with progressively lower achievement in numeracy, writing and reading.

Getting in early
Attendance patterns are established early – a child regularly missing days in kindergarten or in the early years of school will often continue to miss classes in the later years, and receive lower test scores than their classmates. It’s vital that students go to school every day – even in the early years of primary school.

What we can do
The main reasons for absence are:
Sickness – There are always times when students need to miss school, such as when they’re ill. It’s vital that they’re only away on the days they are genuinely sick, and setting good sleep patterns, eating well and exercising regularly can make a big difference.

It’s vital that holidays are planned during school holidays where possible, and not during the term if it can be avoided.

“Day off” – Think twice before letting your child have a “day off” as they could fall behind their classmates – every day counts.

Truancy – This is when students choose not to go to school without their parent’s permission. There can be many reasons for truancy. The best way to address this is for schools and parents to work together.

If for any reason your child must miss school, there are things you can do with your school to ensure they don’t fall behind:

• Speak with your classroom teacher and find out what work your child needs to do to keep up.

• Develop an absence learning plan with your teacher and ensure your child completes the plan.

Remember, every day counts. If your child must miss school, speak with your classroom teacher as early as possible.

Openly communicating with your child’s school about all absences is a good way to prevent attendance issues being escalated to a School Attendance Officer. A School Attendance Officer is a Department of Education and Early Childhood Development Regional Director who has authority to follow up attendance issues. Attendance issues that are escalated can lead to an Infringement Notice.

If you’re having attendance issues with your child, please let your classroom teacher know so we can work together to get your child to school every day.

For more information and resources to help address attendance issues, visit: www.education.vic.gov.au/school/parents/behaviour/Pages/studentattendance.aspx

Department of Education and Early Childhood Development
Hi Chatham,

We have moved from the OSHC temporarily to the school hall and clothing portable next to basketball court for 6 weeks. This is due to renovations being done to the OSHC. The crop off in the mornings and pick ups in the afternoons will be from the clothing portable.

We have had a great week down at OSHC, with the children having lots of FUN with active games, playground area, quiet time, arts and crafts, ongoing projects, construction, cooking, etc. Kids have also been having an awesome time with AASC basketball and soccer program. A healthy start to the day with breakfast and a fruit snack in the afternoons keeping the kids appetites satisfied. It is great to see the kids developing their social skills. We provide a great environment for them to be able to develop and progress. Whether it's cooking, board games, painting, sports, the children are bonding and building friendships. The preps have settled in well and having lots of FUN.

Remember to bring in your used milk containers with lids, also any used powerade or sports drink bottles with lids and toilet paper rolls as part of our recycling project.

**REMEMBER 2014**

Attention Parents. We have a new contact number for our Camp Australia service at Chatham: 0402 521 853. So if you need to call for anything please do so on this number.

We require your child's current, medical action plan with a current colour photo signed by a DOCTOR. Also need your child's enrolment information forms to be updated and signed. If you have any particular questions please come into the service between OSHC hours. CHATHAM OSHC: 0402 521

**REMEMBER** keep hydrated, slap on sunscreen, wear your smart hats.
