- ☞ Welcome to a brand new week at the OSHC House.
- ☞ This week we continue with AASC Footy on Tuesday and AASC Dance/Frisbee on Thursday - both are great fun with lots of different games being played.
- ☞ Inside the OSHC House, our 6 square game is improving as well. We have added some extra rules, for instance - double touch, tennis rules, futsal and death rally.
- ☞ On Monday when we do Movie Making, I have been really impressed that for the last two weeks the kids have been able to do all the film work and move the figurines with me only needing to supervise. A fantastic effort, kids.
- ☞ I would like to congratulate all our winners of the "Star of the Day" Award. I would like to mention Elise Sando who has been coming to the OSHC House for most of this year and is a really good example to other children on how to have fun and also play safe while having really good manners. Great job Elise.
- ☞ Make sure you don't miss out on Wednesdays when there will be a big project happening where kids will get into groups and make their very own Alien - using anything in the arts & craft room. That should make for some scary fun!
- ☞ I hope everyone has a great week and look out for the Footy Finals Week - coming soon to the OSHC House.
