This week at the OSHC House we are starting to get to the end of our Term 3 AASC. We have been doing Footy on Tuesdays and Dance/Frisbee on Thursdays. Next week I will be asking all the children to vote on the AASC activities for next term.

Inside the OSHC House, we made some scones which turned out really well. Also some yummy chocolate balls, I think that they are my favorite. Everyone got involved on Monday making plasticine pieces for the movie, which was great.

Congratulations to all our "Star of the Day" Winners. A special mention to Max Shuttleworth who won the award on Thursday, Max has consistently shown other children how best to follow the 10 main rules of the OSHC House, he is very good at treating people the way he would like to be treated. Thank you, Max for setting such a great example down at the OSHC House.

The Holiday Club Flyers are in, so if you are interested in getting your children involved in some exciting activities this holiday be sure to come and collect all the information you need at the OSHC House or look on the website. www.campaustralia.com.au
