What a great term 3 it has been.

With so much happening here at the OSHC House it has been hard to get to know everyone from the school. So starting next term I will be at the school assembly once a month to meet and inform everyone about the OSHC Programs.

Congratulation to all our winners of the "Star of the Day" Award. We have had lots of kids follow the OSHC Rules, but an individual who has done exceedingly well has been Alison Tullett. Alison is always a shining example at the OSHC service on how to have a great time while getting everyone around her to have a great time as well. We both have had a fun time coming up with some wacky cooking creations, some worked, some did not, but that's cooking. Thanks a lot Alison.

To All Parents the Holiday Club Flyers are in. To book please go to our website - www.campastralia.com.au.

Also Friday 18th September the OSHC House will open at 2.30pm as this is the last day of term 3.

I hope that all the parents and kids have a great school holidays and get out in the beautiful sunshine and really enjoy this time of year, it is my favorite.

See you all in Term 4.
