Welcome back for Term 4. I hope that everyone enjoyed their holidays.

This term is shaping up as a most exciting time to be coming down to the OSHC House. With heaps of different art and craft activities such as Paper Mache, Glitter Art, Giant People and lots more.

We also have AASC starting in the third week of term and will be held on Tuesday with Handball, Softball and Hockey and on Wednesday with Self Defense.

Australian Master Chef is coming to OSHC. Students at the OSHC House enjoy cooking as one of our activities during the week - Hamish, Zac, Gabby, Audrey, Natalija and Caitlin have decided to now call cooking - OSHC Master Chef. "We love making chocolate balls and it's a craft we can eat!"

So come on down this term and enjoy yourself at the OSHC House.
