FROM THE PRINCIPAL

I was away with the Year 6 students on their camp last week so once again I would like to support Bronwyn’s opening article from last week and also say welcome back to everyone and a special big welcome to all our new families across the school. It has certainly been a very smooth start to the new school year with all grades being really settled into their daily routines and already commencing on their work requirements. This is especially so for our new Preps who, even though it has been a hot and muggy beginning, have started off the year so well. We have started off the year with 443 students compared to the 423 that we commenced with in 2014.

The weekly school newsletter is a very important avenue of communication between the school and home. Each week there is significant information that is passed on to families via this publication as well as reports of upcoming events and activities that are happening around the school. It is essential that parents make sure that they read the newsletter every Thursday and note the upcoming events and essential information.

OUR BIG FAIR DAY

Only 17 more sleeps to go!

Everything is in place and ready to go for what promises to be a fantastic day. If you haven’t already done so, please make sure that you volunteer to help set up in the morning, help out on a stall, volunteer for some kind of job on the day or help clean up the school after the event. This day is a big event for the school and depends on everyone’s help to make this major fundraiser such a success.

Make sure that you invite all your neighbours, friends and relatives to what promises to be another outstanding day for the community. This event is also fantastic in bringing the whole school together as students, teachers and parents work towards making this day a memorable one for us all.

Please look over all the information that is included in this newsletter and on our website. If you haven’t already done so, sign up for a job. This is a whole school event and needs an effort from all members of the school community to bring it all together. It is a big day, a big weekend and a big week leading up to this event. Please help out wherever you can.

Remember Our School Fair is on Saturday 28th February.

FUNDRAISING MONEY

In 2005 while the Stage 2 building works were being completed, the school community decided to form a Cooperative and borrow $200,000 to help pay for extra store rooms in the hall, the wooden sprung floor in the hall, the entrance foyer and toilets and extensive landscaping works. This was done with the idea that the school community would be the ones using these facilities into the future and should be the ones to help pay for this loan. Each year, our fundraising target is to raise at least $28,000 to cover the repayments of this loan. We have just over 1 year left of this 10 year loan.

Any excess funds raised over the year are put back into the school. Thanks to the wonderful efforts of our Parents’ Club in 2014 we were able to cover all of our commitments for our loan repayments while still being able to direct some of the excess funds to purchase extra resources for the school. Thank you to the whole school community for all of your efforts in 2014. Please continue to support the school in its fundraising efforts this year. This year, with the support of Parents’ Club and School Council we could be looking at improving the school oval as one of our major priorities.

PARENT INFORMATION SESSIONS

The class information sessions will be conducted next week. Each year level will have a focus on some part of the curriculum followed by time in each classroom to hear from the class teacher regarding expectations for the year. Bronwyn Orr and I will supervise the yard after school during these sessions so that all children will be monitored and cared for.

- Prep & Yr 1 Information Session – Tuesday 17th Feb – Focus - The Walker Learning Approach (Investigations)
- Yr 2 Information Session – Wednesday 18th Feb – Focus - Reading and Spelling Homework
- Yr 3 & 4 Information Session – Monday 16th Feb – Focus – Homework, Reading, Spelling, Matrix and times tables
- Yr 5 & 6 Information Session – Thursday 19th Feb – Focus-Yr 5 – Wikis/Class dojo, Camp & Goals,
  Focus—Yr 6 - Leadership, transition, homework and Inquiry units.

PARENT/ TEACHER INTERVIEWS

Information Sessions will be followed by Parent/ Teacher interviews which are scheduled to take place the following week beginning Monday 23rd Feb. These initial interviews last for 10 minutes and are primarily for parents to discuss their child with the class teacher – their children’s strengths and weaknesses, their likes and dislikes, interests and hobbies, etc. Please keep to the 10 minute allocated times so that the timetable across the school can be maintained.

This year we are trialling a new online booking system for booking interview times with each teacher. More information will be sent to you shortly.

PARENTS’ CLUB

The Parents’ Club is another very important group in our school. This association is certainly an integral part of our school community – co-ordinating our fundraising and social activities across the year. Each year the Parents’ Club holds its Annual General Meeting in March to elect its new executive for the year. All activities for 2015 are already organised with most having their coordinators already in place. This group organises many of our social and fundraising activities across the year with the understanding that we raise at least $28,000 each year to cover the loan repayments of the School’s Cooperative. This group also coordinates the Class Reps and looks after many events including Grandparent’s Morning Tea, School Disco, welcoming new families into the school, hiring equipment, first aid room linen roster, etc.

I would ask that you consider supporting and joining this very important group and even consider nominating for one of the executive positions that are vacant this year. Some of the planned activities for this year are;

- Progressive Dinner
- Hot Cross Buns sale
- Mother’s Day breakfast & stall
- Father’s Day breakfast & stall
- Fair night
- Trivia night
- Grandparent’s Day support
- School Disco
- Prep & Year 5 buddies picnic
- Ginger Bread House making

and many, many more social & fundraising activities for the school

2015 Executive Positions for Chatham Parents’ Club

This group can only operate if we have an Executive Committee in place that can coordinate all of these planned events. At this year’s AGM in March we are desperately looking for parents to nominate for the positions of President, Vice President and Secretary.

If we do not have these positions filled then the Parents’ Club will most likely not be able to operate, which then means that many of these planned activities will not be able to go ahead this year.

If you are interested in nominating for one of these positions, or any other role, I encourage you to review the job descriptions on the website or speak to the current role holders about their experiences to gain an understanding of what is involved.

I urge you to support this very important group in our school. Anyone wishing to nominate can do so via the Parents’ Club Executive Committee Nomination Form available on the website and submit it directly to me. Even if you do not want to be a part of the Parents’ Club Executive please support this very important group in our school and make a time to come along to their morning and/or night meetings this year.

The Parents’ Club Annual General Meeting is planned for Tuesday night, the 10th of March, starting at 7:30pm.

YEAR 6 CAMP

A very tired but happy group of Year 6 students returned from their camp on the Gippsland Lakes last Friday. The weather was very kind to us enabling everyone to enjoy all of our planned activities which included canoeing, donuting, hut building, ropes and initiatives courses, raft making, stand up paddle boarding, orienteering and sailing. A big thank you to the teachers who accompanied these children and helped ensure that our Year 6 students all had a positive and rewarding camping experience.

2015 STUDENT LEADERSHIP POSITIONS

Our Year 6 students have certainly had a busy start to their school year. This week they have started the process for selecting all of the leadership positions for 2015. They will be nominating, delivering speeches and voting for the school leadership positions. We are proud of the Leadership Program that we offer our students. Each Thursday afternoon we hold Leadership sessions where each of our student leadership teams work with various staff on different projects.

All of our 63 Year 6 students will play a very important role as school leaders at Chatham Primary School. This year we will have the positions of School Captains, Vice Captains, House Captains, Peer Support Leaders, Junior School Councillors, Art, Music, Japanese, and Environment Leaders. We hope to be able to announce these positions at our school assembly next week on Friday February 20th.
FROM THE PRINCIPAL

SCHOOL COUNCIL ELECTIONS – 2015

Each year we need to hold elections for half of our School Council membership. More detailed information will follow in next week’s newsletter calling for nominations and the timeline for our School Council elections.

What is a School Council and what does it do?

All government schools in Victoria have a School Council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a School Council is able to directly influence the quality of education that the school provides for its students.

Who is on the School Council?

There are three possible categories of membership:

A mandated elected Parent category. More than one third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child’s school as long as they are not employed at the school.

A mandated elected DEECD employee category. Members of this category may make up no more than one third of the total membership of School Council. The principal of the school is automatically one of these members.

An optional Community member category. Its members are co-opted by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

The term of office for all members is two years. Half the members must retire each year, creating vacancies for the annual School Council elections.

Why is Parent membership so important?

Parents on School Councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a School Council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?

The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider standing for election as a member of the School Council or encouraging another person to stand for election.

Do I need special experience to be on School Council?

No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

What do you need to do to stand for election?

The principal will issue a notice and call for nominations following the commencement of Term 1 each year. All School Council elections must be completed by the end of March.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DEECD employees whose child is enrolled in a school in which they are not employed are eligible to nominate as parents for the School Council where their child is enrolled.

Once the nomination form is completed, return it to the principal within the time stated on the notice of election.

If there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Remember

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote if an election is necessary.

Parents are most welcome to attend any School Council meeting as observers with the next meeting for the current School Council members to be held Monday 23rd February.

Contact the Principal for further information.

DOGS AT SCHOOL
Many parents like to walk up to school with their dogs. Please remember that all dogs must be on a leash and under your control and supervision at all times. Parents need to be aware that some children are frightened of dogs while others have limited exposure and do not know how to approach dogs safely. Tying them up in the yard as you visit the classroom is not really acceptable as students may approach your dog without you being there to monitor their reaction. Leaving them tied up at any of the school gates unattended is not also acceptable. I am sure that the last thing you would want is your dog to bite or snap at a student. If you bring your dog to school also please ensure that they do not leave any deposits behind in the school yard. Please pick up after your pet and monitor them and keep them under your supervisions at all times whilst in the yard.

CANTEEN
A reminder that the school’s canteen will commence operations after the fair, the first week of March, Wednesday 4th March. Please make sure that you put your names down on the roster. If you are able to help out in the canteen in any way then please contact Steph Reid our Canteen Manager.

FRONT DOOR ENTRANCE
A reminder to everyone about the use of the front door entrance of the school. We would prefer that students and parents do not use the front door to enter the school in the morning or to use it to leave the school at the end of the day. We have instructed students that they may use this entrance during the day if they need to come to the school office or sick bay with an urgent matter, otherwise they must walk around the school at either end of the building. If parents also do not use this entrance, then it will help cut down on the congestion around the school office during these busy times of the day.

CHATHAM’S SUPPORT STAFF
As part of the Boroondara Network of Schools we have the services of some support staff at Chatham. Margaret Naughtin is our Guidance Officer and will be working at our school for 1 day a fortnight this year. Katrina Warren is our Department Speech Therapist and will also be working at Chatham three Mondays out of every four. Both staff members work part time and have a number of other schools in the network to service as well as Chatham. Please contact your class teacher or Bronwyn Orr if you have any concerns and would like to access one of these services.

SCHOOL NURSES
A big welcome to Lisa and Jean who have been appointed as our school nurses for this year. They come to our school with a variety of experiences and expertise and will be a great addition to our staff and service to the school community. They will be job sharing, each working 5 days a fortnight from 9:30 to 3:00pm each day. Initially they have been assisting some students with specific medical conditions with their transition into our school, as well as auditing our supplies in the first aid room, our first aid school procedures and accountability documents. Please make them feel welcome to our school community.

SCHOOL ASSEMBLIES
Our first assembly for the year will take place tomorrow, Friday 13th February. I would encourage parents, if time permits, to come along to our assemblies on a Friday afternoon commencing at 2:40.

PREP WORKING BEE
The first Working Bee for Prep families will be held on Saturday 21st February. This day will be focussed on cleaning up the school in readiness for the School Fair on the following weekend. Please come along and help out and bring with you brooms, blowers, wheelbarrows and whipper snippers. This is a great chance to meet with all the new Prep families and help in maintaining our safe, secure and appealing school environment.

Dear Parents

The Silent Auction Stall is asking for your generous help for the School Fair that is happening on Sat 28th February, 2015. We are asking that each family donate an item to their designated classroom hamper - please refer to the list below for your classroom hamper. If you have more than one child, we would like to ask that you donate to at least one of the class hampers. These items will be used to make hampers for the silent auction.

There is a labelled box in or outside your child’s classroom that the items can be placed in. We would like the items to be of a value between $10 & $20 dollars and ask that they are brand new. Also with the food hamper items, can the items please be non-perishable and have a shelf life of at least 6 months. Can we please have these items at the latest by **Friday 20th February**. If you wish, your class rep may organise to collect money from everyone and purchase items on your classes behalf to avoid double ups.

Thank you for your generosity, we really do appreciate it.

Mums and Dads! Do you want to volunteer in your community but are time poor? Casserole Club may just be perfect for you!

Casserole Club allows its volunteers to assist in their community using as minimal time possible whilst still creating a big impact from the work they do. We match people in the Boroondara area who would like to share an extra portion of their home cooked meal with an older person in their neighbourhood who may not be able to cook for themselves regularly.

This is a great opportunity to assist in your community, meet new and interesting people and to show your children the value of volunteering.

Click here to view the Casserole Club video: [Http://bit.ly/1ARKi75](http://bit.ly/1ARKi75)

To find out more information please go to [www.casseroleclub.com.au](http://www.casseroleclub.com.au) or call Lana Barnett at the City of Boroondara on 03 92784777
