FROM THE PRINCIPAL
This term has flown past very quickly. It has been yet another busy but productive term with the highlights being:

- Welcoming the new Preps and all the new families into our school community
- Year 6 camp to Camp Lakewood Park on the Gippsland Lakes. The students participated in donuting, sailing, canoeing, raft making, hut building, initiatives course, archery, ropes course & stand-up paddle boarding
- House Swimming Sports and having a number of students progress through to the District & Division Championships. We also had basketball teams competing in the District Championships and a number of students being selected to progress further for trials of various state teams.
- The Year 6 & Prep working bees
- Election of our Year 6 leaders
- Year 5 bike riding camp at Derby Hill, Maldon
- Information evenings & interviews
- Welcoming various visitors to our school
- Various excursions and incursions related to topics being studied across the school.
- And, of course, our amazing School Fair

The last day of term is tomorrow, Friday 27th March with students being dismissed at 2:30pm.
The first day of term 2 is Monday 13th April.

SCHOOL COUNCIL 2015
Last Monday night’s School Council meeting was the first with the new make-up of councillors, with the following members elected as office bearers for 2015;

- President – John Doyle (James 2JW & Thomas 6GK)
- Vice President – Andrew Stamper (William 4SR)
- Treasurer – Adam McInnes (Kalen 4SR & Alannah 3KG)
- Secretary – Bronwyn Orr

Parent Representatives:

- Steve Kynoch (Georgia 4CB)
- Brenda Wilkinson (Emma 4SR)
- Matthew Hunt (Isabelle 3KG & Milly Prep MO)
- Mark Medwell (James Prep MH)
- Karen McRae (William Elliot 2JW)

Staff Representatives:

- Georgina Kirwan
- Bronwyn Orr
- Cathie Bradford
- Glenda Kelly

Co-Opted Member:
Susy Montagner (Sarah McNulty 4CB)

Parents’ Club Presidents – Justine Kiely-Scott (Jamison SAL & Eliza 3TC) & Louise Weine (Emily 1LM & Sophia 5KB)

CONTINUED ON PAGE 2...
School Council has a number of sub-committees who are always looking for new members from the school community. These committees include; Education, Sustainability & Environment, Canteen and Finance, if you are interested in joining one of these committees then please contact the office.

At this meeting the School Council approved the upcoming Year 4 camp to Warburton, endorsed the school’s Annual Report, discussed the school’s upcoming year of Review and approved the remainder of the school’s student free curriculum days for the year.

School Council meetings are open to all members of the school community to attend as observers. The next meeting for School Council will be on Monday 18th May.

SCHOOL REVIEW

Every four years, Government Schools undertake a year of Review. During this year schools embark on a reflection on the goals and targets of their previous Strategic Plan and develop some areas for future improvement that will shape the next Strategic Plan. 2015 is Chatham’s year of Review. Our current Strategic Plan was established in 2012 and finishes this year. We will be undertaking a self-evaluation that will provide an opportunity for the whole school community, including students, parents and all staff, to reflect on student outcomes in light of the goals, targets and key improvement strategies from the previous planning cycle. This includes examining teaching and learning strategies, the performance and development culture and other aspects of school operations so they can be strengthened and supported to improve student outcomes into the next four years.

This year we will undertake a thorough analysis of the available data to look back on how well the human, financial, physical and information resources of the school have been deployed to achieve the goals and priorities in the school’s Strategic Plan. It is also a good time for us to recognise and celebrate our great successes and identify areas where we might be able to focus future effort.

Part of this process will be the use of an independent reviewer who will spend time analysing our data against our goals and targets and conduct a full day of review that will involve, students, teachers and staff. This Peer Review process will assess school performance and make recommendations for improvement by asking the questions:

- What are students learning?
- How are students learning and how is the school supporting learning?
- How does the school know students are learning?
- How does the school provide feedback to its students and their families on learning progress?

From this Review Day, suggestions for future directions in the areas of Achievement, Engagement, Wellbeing and Productivity will be developed to form the new Strategic Plan for 2016 – 2020.

CURRICULUM DAYS

At last Monday night’s School Council meeting the remainder of the school’s curriculum days were passed. As 2015 is our school’s year of Review we have asked for 1 extra day to be added to this list.

The 3 remaining student free Curriculum Days for 2015 will be:

- Monday May 4th
- Monday 13th July (first day of Term 3)
- Monday 2nd November (the day before Cup Day)

Monday May 4th will be used by staff to conduct our School’s Self-Assessment where we will analyse the goals and targets of our current Strategic Plan, reflect on all the targets that we have achieved and explore all the strategies that we have put into place over the last 4 years to enable us to achieve these results. We will look at what we do well and what we can do better and attempt to compile some ideas around future areas for improvement that can be developed as part of our new Strategic Plan.

STRANGER DANGER

With the school holidays approaching this is a timely reminder that we should remind our children of the dangers of strangers in our community. It is important that parents know where their children are at all times and it is best that if they are out playing that they do this in pairs or with a group of friends. They should always remember to tell their parents or friends whenever they feel uncomfortable around a situation or some strange person.
FROM THE PRINCIPAL

2016 ENROLMENTS

We have started to receive telephone calls and email enquiries over the past few weeks from families with prospective student enrolments. While we appreciate it is a very important decision to make and we are always encouraging of the community interest in our school, we prefer to give everyone the same opportunities and access to information about the school. As we’ve had in the past years, we will again open up the school to visitors where we will have tours of the school specifically for prospective 2016 Prep families. Usually we have a large number of families collect an information package and we intend to keep our 2016 Prep enrolments to approximately 60 – 66 students. If you know of any new families who live nearby, or if you have relatives, friends or neighbours who would like information about the school, then encourage them to contact the school next term to arrange a personal tour or to attend our Open Day tours in May. More information will follow in next term’s newsletters with information also being sent to our local Early Childhood centres.

GRANDPARENT’S DAY

Once again we will be holding Grandparents Day during Education Week. The actual day to visit our school will be on Tuesday 19th May. Please let Grandparents or Special Friends know and put this date in your diary and onto your calendar. More details will follow next term.

LAST DAY

The last day of term is tomorrow and students will be dismissed at 2:30pm. Camp Australia will operate the After School Care program from this time. The first day of next term is Monday 13th April.

CHATHAM PRIMARY SCHOOL
SUMMARY OF PARENTS’ CLUB MINUTES
Tuesday 17th March 2015

The Parents’ Club meeting that took place on Tuesday the 17th of March was a resounding success with a very strong turnout of interested parents. The meeting focused on a proposed new Parents’ Club structure, which was accepted by all in attendance, and the filling of key roles in the new structure. They include:

Parents Club Leaders: Louise Weine & Justine Kiely-Scott
Secretaries: Lisa Barrett & Becky Nunan
Communication Leader: Bianca Hunt
Parent Representative Liaison: Michelle Grant
Mentors: Susy Montagner, Karen Winch & Sue O’Hehir

Project Leaders have also been appointed for all our regular Parents’ Club activities scheduled for 2015; however, there are still lots of ways that you can become involved. If you are interested in helping out in any way, please contact one of the individuals listed above or your class rep to find out more.

Prep and Year 5 Families

Buddies’ Picnic at Chatham Primary School
Sunday 19th April, from 4pm til 6pm
Come and meet your child’s buddy and their family
at a picnic on the oval
Please bring your own picnic, utensils, rugs, chairs, drinks/plastic glasses, kites, footies...
Please call Libby (Prep) on 0417 221 114 or Jacqui (Year 5) on 0415 327 418 if you have any questions
NOTE: If it rains on the day, the picnic will be held in the school hall

---

### Classroom Helpers Course

There has been a great response to the Classroom Helpers Course. Just a reminder this is being held on Tuesday 14th April in the Library from 9:15-11:00. Tea and coffee will be provided. Looking forward to seeing you there.

Glenda Kelly - Literacy Co-ordinator
Predicting, questioning, inquiry, reasoning, evidence gathering, interpreting data

Every week, in every grade, teachers are working together to prepare and deliver engaging science lessons that build students’ science knowledge and science inquiry skills.

Year 6 is investigating Earth and Space Sciences through a unit of work called ‘Earthquake Explorers’

In Year 6...

The Year 6s have been investigating earthquakes. They found out all about tectonic plates and fault lines. They also learned how earthquakes are made if two tectonic plates push, pull and rub against each other. The scientific explanation uses the words divergent and convergent. Divergent is when the plates move apart and convergent is when they push together. Another term used is transform, which is where the two plates rub against each other.

Earthquakes are measured with the Richter scale and the Modified Mercalli scale. The Richter scale measures magnitude of earthquakes, for example how powerful they are. The Modified Mercalli scale measures the destruction earthquakes cause.

Using hard-boiled eggs to represent plates rubbing, diverging and converging.
Earth Hour 2015

**CAMBERWELL HIGH SCHOOL**
2015 Open Evening
Tuesday 21st of April @ 6.00pm
(Principal Address 7.30pm)
Choosing the right educational environment for your child is an important decision and can only be made after viewing a prospective school in action. To facilitate this, Camberwell High School offers regular school tours and holds an Open Night each year in Term 2. Our students volunteer to be tour leaders on this open evening and represent their school with honesty and pride. Please contact the Junior School office on 9831 8333 for further information.

**BASKETBALL PLAYER WANTED**
The Chatham All Stars, Year 2 girls basketball team, is looking for another player to join their fantastic team. Games are Friday afternoon and training is on Wednesday after school.

Congratulations also to Ella Ukich for a fabulous Grand Final Basketball win for U12 girls Central City Breakers. GO BREAKERS!

Congratulations to Will Ukich, Tom Ross, Matthew Marcun and Ethan Gayford on a sensational basketball grand final win with the Central City Breakers U12’s.
CLASSROOM HELPERS COURSE

We will be running a course for our parent helpers called Classroom Helpers. The course will be held in the school library on Tuesday 14th April, from 9.15am to 11:00am.

This course is designed to support parents who assist in the classroom and covers Independent Reading, Writing, working with small groups and classroom protocols.

The course will:
- Develop in participants an increased understanding of the development of literacy skills in reading and writing.
- Demonstrate various learning situations to participants so they can act as role models for students in classrooms.
- Train participants in how to provide support for small groups of students in reading and writing.

If you have participated in a previous Classroom Helpers Course you are welcome to attend as there have been changes made to the course.

It is necessary to attend the course before you offer to help in any of the classrooms. If you can’t attend the course but would like to participate in the classroom, please come and speak to me.

All parents helping anywhere in the school need to have a Working with Children Check and this must be shown to the office staff before commencing assistance in the classroom.

Please complete the form below if you wish to attend the course and return to the School Office by Wednesday 25th March or email me on kelly.glenda.m@edumail.vic.gov.au

During this session we are unable to accommodate toddlers so we would appreciate it if alternative arrangements can be made for them.

Looking forward to seeing you all there.

GLENDA KELLY – LITERACY CO-ORDINATOR

---------------------------------------------

Please complete and return to the school office by Wednesday 25th March or email kelly.glenda.m@edumail.vic.gov.au

Florence Road Pre-School
Presents - Guest Speaker

Jo Lange

‘Resilience for the Early Years – a parents focus’

Jo Lange has worked for over 30 years as an educator in a diverse range of areas of which 15 years has been as a behaviour specialist.

Jo’s presentation will focus on what resilience is in the early years and its close links with children’s self-esteem and independence. With a ‘parent focus’ exploring how parents can help children develop resilience through encouragement, and enhance children’s self-esteem, using everyday problem solving experiences. Through this, children develop a sense of confidence and capability, to tackle the challenges of life.

Jo’s presentations are inspiring and delivered with passion
