Since our last newsletter there continues to be developments and inordinate progress in the life of our school. In recent days announcements by the Premier, the Hon. Daniel Andrews and the response by the Department of Education and Training continue to create new challenges and matters of focus for our school.

In recent times I have been interviewed by Nine Entertainment journalists (The Age) and others, and my views sought about how we would manage the changes involved, and the approach we would be taking with our community in the days ahead. It is an incredible balance of many competing priorities. In reality, I am grateful that we have been able to strike this balance and keep the functioning of our school as normal as possible in the circumstances. Again, this involves the positive contributions and understandings of students, staff and parents.

COVID Matters

Whilst there is considerable easing of restrictions across the broader Victorian community the challenges for us as a school remain complex. On one hand we all relish the notion of community engagement and bringing life back to the broader school community, but on the other hand, ensuring the safety of staff and students in order that there is as least disruption to the teaching and learning of our students as possible. This remains a day to day proposition and needs considerable flexibility in approach; management of finite resources, where indeed they are obtainable, and communication in a timely manner to all the stakeholders involved.

Our priority continues to ensure that we do everything in our capacity to enable our teachers to continue working free from COVID. If a teacher does contract COVID our capacity to find casual relief staff is now highly problematic. There is a shortage of teachers across Victoria. A case of COVID in a teacher results in classes potentially not having a teacher for at least five days; having classes split across year levels; and amongst other approaches, using specialist staff and /or our Tutor teacher to cover classes. This is extremely disruptive for all involved and creates industrial problems as the Victorian Government Schools Agreement is potentially breached.

As a result, the approach I have decided to take and lead in our school is a response to these realities. Communication was forwarded to parents on Compass on Tuesday 26th April concerning the arrangements. We also expect a further tranche of RAT kits to be delivered next week in order that these are available to students and staff for the first four weeks of the Term. It is our intention to distribute the next lot of RAT kits to our students on Friday 6th May. These will be placed in the bags of our students at all levels.

At this stage we are still expected to receive 29 new air purifiers by 1st June 2022. These will be located in classrooms and learning areas along with the 26 units already in use in our school. Please be advised that we continue to engage a contractor to clean the filters of our air purifiers every five weeks.

Professional Practice Days – Terms 2

This was conducted on Tuesday 26th April and needed to be organised with some swiftness and communication to parents last Term. Again, the approach taken here was sensible and pragmatic from the position of students, staff and parents. Ostensibly this time was used by my staff today to plan and document their Term Two Curriculum planner; address Individual Education Plans; create Level Newsletters; undertake assessment and data review, and amongst other tasks, respond to a plethora of

DET compliance requirements. At this stage we are now not certain of the arrangements regarding these days into the future. They are provided for in the draft *Victorian Government Schools Agreement 2022* however this document needs to be voted on by members of the Teaching Service, and presuming it is supported, lodged for Certification with the *Fair Work Commission*. I would expect that this process will take much of Term 2. Regardless, these days are valuable to my staff and enable the important collaboration that needs to occur between teachers across the school.

Major Building Project – 5.4 million dollars

I am pleased to advise that on Friday 22nd April the tender package constructed by Williamsboag and the Victorian School Building Authority was released to five tenderers. In so doing this achieved one of the key project milestones moving towards the construction stage. The tender period will be over the next four weeks, closing at 4.00pm on 24th May 2022. This will be followed by a two week review process and a period of negotiations with the preferred tenderer. I am advised by Project Manager, Mr Greg Meyers from Williamsboag that the costs in the construction industry have escalated over the last twelve months and as a result it is quite possible that the tender review process may extend beyond the two week period as we negotiate project details. Please be advised that a compulsory site walk through occurred for all tenderers from 10.30am on Thursday 28th April 2022. This provided an important opportunity for me to communicate the priorities of our school and the expectations we will have about the operation and progression of the project. Again, I will keep you informed as to how matters develop over the coming weeks.

At some stage I think it would be worthwhile to conduct an information session for parents about this project and what it means for our school. Realistically I expect that works and decanting arrangements will occur early in Term Three. I am pleased to advise that through some thoughtful and careful scheduling of arrangements I do not expect any disruptions to classes or specialist programs.

Curriculum Development and Planning – Preparatory to Year 6

This continues to be addressed to meet the requirements of the *Victorian Regulations and Qualifications Authority* and the *Department of Education and Training*. Throughout the Term our staff will be involved in considerable professional development, which occurs out of school hours, both online and in person. This usually occurs on Mondays and /or Tuesdays after school. We expect that we will continue to work with senior officers of the Department of Education and Training as we progress our Annual Implementation Plan for 2022 and our four areas of focus: English, Mathematics, Information Technology and Assessment and Wellbeing.

School Council Matters

On Tuesday evening the School Council welcomed Ms Sophie Rigg as a parent member to the parent member vacancy. We look forward to Sophie's contribution, energy and insights as she also contributes to the life of our school and its development.

Currently whilst we have the full compliment of DET staff members and Parent members we do have the capacity to appoint two persons to the co opted member category. These community members can be parents but can also be members of the broader community such as grandparents, friends and community participants. If you would like to express an interest in this regard please contact Mr Dan Heath, our School Council President at danielcheath@gmail.com or myself at the school or at christopher.cotching@education.vic.gov.au

As we move out of COVID restrictions we look forward to resuming some of our School Council Committees. These Committees provide support to the School Council and comprise Buildings and Grounds, Communication and School Development, Education, Finance, Fundraising and Services. Please contact the following persons if you would like to join these committees:

Buildings and Grounds	christopher.cotching@education.vic.gov.au
Communication and School Development	rafael.fernandez@education.vic.gov.au
Finance	christopher.cotching@education.vic.gov.au
Fundraising	belindadalton@me.com
Services	renae@bluewrencommunications.com.au

Generally, these Committees meet once per Term. We are keen to confirm the membership of these Committees in the coming weeks. Furthermore, if you have any queries in regard to the work of these Committees, please contact the convenors directly.

The Kitchen Garden Structure

We are delighted with the progress being made here despite the disruptions caused by a lack of capacity to source the needed timber in March. Once the slab and BBQ structure was created this disruption caused some delay. We are aware that there has been some damage and relocation to the Kitchen Garden plants as they exist currently, and we are assured by the contractors *John Lyng and Co* that all matters will be made good at the cessation of works. We would expect this to occur in about three weeks.

Once this structure and facility is completed, I expect that we will turn our attention to the establishment of the Kitchen Garden and therein the planter boxes and plants. This will be of major focus during 2022.

Student Leadership Presentation & ANZAC ceremony

We will be conducting a Special School Assembly on Friday 29th April at 3.00pm to present our Year 6 students with their Leadership badges and rugby tops. This is an important annual event which I am hoping can be conducted outside. If this is the case, then there will be no limits on parents viewing the proceedings. If the weather is inclement then the Assembly will be conducted inside and limited to parents of Year 6 students. I will make that call by lunchtime and do my best to communicate it accordingly.

I am further pleased to advise that together with Mr Rafael Fernandez our School Captains and School Vice Captains attended the Dawn Service at Surrey Gardens and from all reports spoke well and performed their role with aplomb. Again, I am grateful that Mr Fernandez was able to attend on this occasion and make the personal sacrifices involved.

Shade Structure

We are grateful for the scope and opportunities this facility will create for our students, staff and families. Ostensibly, the purpose of the structure along with the three expansive picnic tables, is to provide a comfortable, safe and practical outdoor space for classroom use. The \$25,000 grant provided by the State Government was strictly for this purpose. Additionally, what a superb venue for families to have a relaxing picnic whilst they make use of the school and its facilities after school hours and on weekends. In the coming weeks we will decide whether we will stain these tables or add more attractive and vibrant colours to the precinct. Of course, these sensitivities and considerations are really about what makes it attractive and engaging for our students.

Election Protocols

Please be advised that since the issuing of the writs for the Federal election I will be taking the position that no Federal candidates for the seat of Kooyong will engage in activities at our school. This is of course consistent with Department of Education and Training policy and established protocols at such times.

On Tuesday night our School Council accepted Chatham Primary School as a polling booth and has signed an agreement to this effect with the *Australian Electoral Commission*. We expect that we will be conducting community fundraising events on the election day scheduled for Saturday 21st May 2022.

We look forward to an active and engaging Term. There will be much more to discuss and communicate.

Christopher Cotching
Principal

Our Year 1 Scienceworks Excursion

The Year 1's had an amazing excursion to Scienceworks. We visited the Planetarium, explored the Sports Area and saw an incredible weather show.

Premiers' Reading Challenge

Dear Parents and Carers,

The Premiers' Reading Challenge is now open for all students across the school! This presents a wonderful opportunity for the whole school community to engage in a fun annual challenge that encourages reading routines, develops literacy skills and fosters a lifelong love of reading.

Students in Prep-Year 2 are encouraged to achieve their target of reading 20 challenge books and 10 choice books throughout their participation in the competition. Students in Years 3-6 are encouraged to achieve their target of reading 10 challenge books and 5 choice books throughout their participation in the competition this year. All participants who achieve their goal will be awarded a certificate at Assembly after the competition closes on the 2nd of September, 2022.

Today all students will receive their Premiers' Reading Challenge login access details. Please sign in to log any books from the challenge that your child reads at home. Classroom teachers will also enter the books read with students at school throughout the duration of the challenge. To log books on the challenge, please follow the instructions below:

1. Follow the link: <https://vprc.eduweb.vic.gov.au/home>
2. Click 'Sign in'
3. Click 'VPRC login'
4. Enter your child's username
5. Enter your child's password
6. Click 'Login'
7. Then click on the 'Search Books' button to find and add any books that your child reads at home.

Please don't hesitate to contact your child's classroom teacher if you have any questions.

I wish all students the best of luck throughout their participation in the Premiers' Reading Challenge this year!

GETTING BUSY IN THE MONTH OF MAY

Hello Term 2! Have we got some fun in stall for you all. Often referred to as the Great May Bottleneck, we have our famed Mothers' Day events AND the Federal Election all crammed into this one glorious moment in time.

Kicking it off is the **Mothers' Day Stall** on **Friday May 6**. The stall runs during school hours, with each class given the opportunity to visit and select a treasure for their mum/grandma/friend. There will also be a pop-up stall after school from 3.15pm-4.15pm for any last-minute buys. Just send your child along with \$5-\$10 and wait for the surprise on Mothers' Day.

The next much-anticipated event off the rank is the **Mothers' Day Breakfast** on **Thursday May 12 from 7.30am**. This is a wonderful way to start the day - a delicious brekkie, coffee cart, raffle and quality time with your offspring. Book your spot and food on Qkr from early next week and keep an eye out for the volunteer Sign-Up link. We'd love some dads to volunteer on the day so all the mums can enjoy themselves.

AND THE WINNER IS... THE ELECTION DAY BBQ AND CAKE STALL

Will it be Josh, Monique, or one of those other faces around town??? Who knows, but what we can be sure of is Chatham hosting a record-breaking **Election Day BBQ and Cake Stall** on **Saturday May 21**. There's no hyperbole needed - people come from far and wide to sample our wares and participate in democracy. So, we need you to bake like you've never baked before to ensure the Cake Stall is one for the ages. Stay tuned for all the info, including baking packaging and instructions, and volunteer Sign-Up links coming at you soon. This bonanza fundraiser will go towards the Kitchen Garden project.

UPCOMING EVENTS TERM 2

MOTHERS' DAY STALL

FRI MAY 6

Kids, buy your mum/aunt/carer/friend something special.

MOTHERS' DAY

BREAKFAST

THURS MAY 12

A lovely way to start the day with coffee and croissants.

ELECTION DAY BBQ

SAT MAY 21

Get ready for democracy sausages and a cake stall.

PARENTS' BIG NIGHT OUT

Put the babysitter on standby for this guaranteed night of fun and frivolity.

CALLING ALL KIDS

Chatham Mothers Day Stall 2022

*Come and purchase a gift for the special woman/women in your life:
mother, step-mother, grandmother or aunty.*

FRIDAY 6TH MAY | DURING SCHOOL DAY & 3.15-4.15PM

Children recommended to bring £5 - £10 for buying gifts.

Classes will attend the stall with their teacher during the school day.

A Pop-Up Store will operate after school in the Parent Pavilion for
Parents and Children to attend from 3.15pm - 4.15pm.

*The Stall will offer a variety of gifts for that special woman in your life
with a sustainable gift theme including soaps, seeds, plants, chocolates,
biscuits and more.*

Contact the Stall Co-ordinators for any queries
Meg Fuchs: 0948 883443 and Alice Goss: 0433 388 209

Look out for the event flyer and Sign-Up link to volunteer, including the pre-ordered food details on QKR early next week.

Call out to the Dads

Would love the Dads of Chatham to volunteer for this event so the Mums of Chatham have the opportunity to enjoy a breakfast with their kids before school starts.

Come and join the Chatham Canteen Crew!

Providing nutritious food in our canteen is a vital step in helping kids set up healthy routines and habits for life. Our canteen is run with the help of a crew of volunteers from our school community working together. Your kids will love seeing you lend a hand in the canteen!

If you can spare any time to join our crew and help prepare and serve food at our canteen, we would very much appreciate a hand. It's easy and fun work with on-the-job training and you can dedicate as much or as little time as you like. We have short shifts (9am-12pm or 12.00pm-2.15pm) and long shifts (9am-2.15pm) available on Fridays throughout Term 2. Most volunteers do one shift per month, but we also need a team of on-call volunteers in case someone is unavailable for their regular shift.

If you would like to know more about this fun volunteering opportunity, please contact Belinda Dalton at belindadalton@me.com

Learn Music

here at school

Come and join in the fun of learning to play piano, keyboard, guitar, flute, clarinet, saxophone, violin, drums or trumpet here at Chatham Primary School.

Creative Music for Schools conducts a music program here at school each week.

Small group classes or one-to-one lessons of up to 30 minutes give children an excellent grounding in music where they will learn to read music and play their chosen instrument.

Tuition costs from \$24.30 per lesson and enrolments are now being accepted for limited places in term 2, 2022

Interested parents should contact Swee during office hours on 9818 2333 or via email: swee@creativemusic.com.au

 Creative Music

www.creativemusic.com.au

CHATHAM CHALLENGES

Coming up
Term 2, 2022. . .

“Ancient Rome”
Chatham Primary School

Where was Ancient Rome? Who was Julius Caesar, Brutus and Cassius? Legends and Super Heroes, chariots, soldiers, famous roads, buildings, aqueducts. Learn some Latin too. How much is too much power? Why is Rome important to us all these centuries later? Now that's a good question? Vale discipuli!

Chatham Challenges Application for 2nd Term, 2022

This program is available for all Grade 1 - Grade 6 children who have qualified

The unit for second term commences week beginning Monday 2nd May 2022.

The unit will run for 8 weeks commencing: **Monday 2nd May, 9th May, 16th May, 23rd May, 30th May, 6th June, 13th June and 20th June.**

Teacher: Noel Blacker: Mobile 0409 435 396

I wish to enrol my child in the unit "Ancient Rome" starting week beginning **Monday 2nd May 2022.**

Child's Name _____ School: **Chatham Primary School**

Date of Birth _____ Class (2022) _____

Parents' Names _____

Address _____

Phone: BH _____ AH _____ Mobile _____

Email: _____

My child has already qualified for Chatham Challenges YES/NO

I would like a free test for my child YES/NO.

I would like my child to be tested with a fuller assessment (assessment cost \$500 inc GST).

The cost of the program is \$270.60 (fees \$246 plus GST of \$24.60).

To access the Chatham Challenges program for 2nd Term 2022:

Please send the Enrolment form to Noel Blacker; email: noelblacker@bigpond.com by Friday, 29th April 2022.

Payment of \$270.60 (inc GST) also needs to be received by Friday 29th April 2022.

Payment: Access Re-Ed Services Pty Ltd, BSB 083218 Account No.

516636659 (Please include your Child's name, Grade and School so I know who the payment is for)

Please contact me, Pat Truscott, on mobile 0407 313 657 if you have any queries.

JUNIOR HOLIDAY WORKSHOPS

Inspirit Urban Retreat
96 Middlesex Road, Surrey Hills

TEACHER:
MELISSA

Melissa has been teaching yoga to kids and adults for over 10 years and enjoys sharing practices that people of all ages can take into their world. Her kids' classes are fun and accessible and introduce kids to life skills through age-appropriate practices of movement, Meditation and breathwork.
