At the time of writing there continue to be so much occurring in our school as we move slowly out of COVID restrictions and open up the school to the community. Currently, whilst not wearing masks we continue to observe COVID safe practices and are encouraged to exercise safe distancing and make active use of our air purifiers. We are expecting to receive another 29 of these units before 1st June 2022.

At the time of writing, we have just enjoyed a magnificent Chatham Mothers' Day Breakfast and the wonderful experience that provides for our school community. Congratulations again to the Parents' Club and many volunteers who brought this to fruition. It was fabulous to see a number of Dads also assisting with the arrangements.

Communications via Compass

Whilst we produce our School Newsletters every fortnight rarely does a day go past where I do not provide a *Compass* notification on any given day. Given the intensity and breadth of what our school achieves and undertakes this of course is now necessary. In order that messages are not lost I may replicate these messages again in our newsletter. Over the last two weeks you could be forgiven for not keeping up with all that is occurring in our extraordinary school.

Easing of Restrictions and Arrangements

Earlier this week I wrote to our parents via *Compass* to communicate some easing of COVID restrictions at our school. From Monday 16th May parents will be able to attend our School Assemblies, albeit with some social distancing of chairs and other COVID Safe practices. On Monday we had a magnificent School Assembly with many of our senior students speaking and exercising leadership roles. This experience and sense of audience for our students is valuable and affirming.

Additionally, this morning I was able to meet with our nominated Class Representatives and Parents Club for our Annual General Meeting. Again, it was wonderful to meet up with our parents in the manner of previous times.

As an aside last Wednesday we distributed what we believe as our last tranche of Rapid Antigen Test Kits to our students across the school. The purpose was to provide RAT kits to all students to cover the first four weeks of Term Two. If these arrangements change, I will advise you accordingly.

Staffing matters at Chatham and elsewhere

We are delighted that Mr Zac Barry returned to Chatham on Wednesday 11th May after his recent approved leave. Recently, I wrote to our parents through *Compass* and indicated that our Canteen Manager, Ms Halastanis has left in her role to assume a more senior position in a Victorian Government Department. Ms Halastanis therefore resigned her position after five years of service to our school. Whilst we will very much miss her contribution as Canteen Manager, we will also greatly miss her camaraderie, friendship, generosity of spirit and engagement with us all. This was fabulous news for Konstantina, and we wish her all the best as she transcends into other areas of her professional life. Of course, we can still look forward to seeing her as she performs the role of parent in our school and its community.

Some parents will be aware that Ms Rose Yodgee will be leaving us to have a baby in a couple of weeks. Currently we are in the process of selecting a teacher for this role at Year 4/5 RY and will make an announcement in the coming weeks.

NAPLAN Years 3 & 5

At the time of writing, we are very much ensconced in the highly regulated NAPLAN process. On Tuesday 10th May parents in Years 3 & 5 were advised of this project and the timelines and testing involved. Again, we exercise some judgement regarding the way in which NAPLAN is communicated with our community and most importantly, to our students. On balance, we are very conscious of not creating any sense of worry or anxiety for our students regarding this requirement.

The provision and planning that has gone into facilitating NAPLAN in 2022 has been exceptionally demanding. Teachers have required to do considerable professional learning in relation to the proposed online tasks and to ensure that the ever important IT infrastructure support is available. Over the course of this week, we covered Writing on Tuesday and Wednesday and Reading on Thursday. Next week we look forward to conducting assessment tasks in relation to Language Conventions on Wednesday and Numeracy tasks on Thursday.

Again, if your child is anxious or concerned about this experience, please contact your child's class teacher. Every effort is made to ensure this is done without ceremony and in a manner consistent with usual classroom practice.

2022 Student Attitudes to School Survey

As communicated previously our students in Years 4-6 provided the opportunity to participate in an annual survey about their school. This occurred on Thursday and Friday this week and enabled students to be provide an opportunity to comment upon such matters as student engagement, well being and the quality of instruction provided. This survey has been implemented for some twenty years and has been invaluable in helping schools to understand student views. The purpose is to use the results to plan programs and activities to improve the experience of all students. We would expect to receive the results later in Term Three.

Such surveys are also provided in due course to parents and staff via the *Parent Opinion Survey* and the *Staff Opinion Survey*. Again, the results are important in assisting on reflection about the leadership and management of the school into the future. Some of these results are also reported in the Chatham Primary School Annual Report in any given year.

Chatham Primary School Annual Report 2021

This document was endorsed at the last School Council meeting on Monday 26th April 2022. It has been submitted to the Department of Education and Training for assessment with regards to quality assurance, and having achieved that status, will in time be placed on our web site. I look forward to parents being given the opportunity to peruse its contents.

Major Building Project

The development and implementation of these projects take an extraordinary amount of time. In November 2020 we received the announcement of 5.4 million dollars for Chatham to refurbish the school, and yet some eighteen months later we are still to turn the soil or evidence any works. In part this delay has been caused by the presence of COVID and the resulting delays in the Building Industry. I am pleased to advise now that things are starting to come to fruition.

On Monday evening I will be sharing with the School Council the final Building and Refurbishment plans for the main building, but also the stages of decanting that will occur to enable works to be implemented. Given the inordinate planning and diligence to matters I am confident that the decanting that is to occur will create minimal, if any, disruption to our students.

In the coming weeks I intend conducting a Parent Information session about the plans and procedures involved for our school. Realistically I would anticipate some building works to occur before the beginning of Term Three.

Kitchen Garden Structure

We are delighted with the state of developments here and once the structure is completed the next task will be to consider the preparation of planting boxes for the adjacent kitchen garden area. We will keep you informed as to the steps to be taken here. This week much of the roof plumbing has been completed and will continue next week.

Interschool Sport and District Cross Country

We are delighted that our students in Years 5 & 6 are now able to access this competition with other schools in Boroondara with the usual involvement in soccer, football, softball and netball. This is wonderfully organised and led by our Physical Education and Sports Teacher, Mrs Jessica Wilson. Please be advised that enormous thought and consideration goes into the formation of such teams with Year 6 students being given preference above Year 5 students. Whilst many schools do not involve Year 5 students in such competitions, we are delighted that we are able to do so. Additionally, we wish our 46 students well in their involvement in the District Cross Country at Anderson's Park, Hawthorn on Tuesday 17th May 2022.

Victorian Government School Agreement 2022

In recent weeks you may have read or heard something in relation to this agreement between the Department of Education and Training and the relevant unions. The events that are occurring in NSW are not occurring here. I am pleased to advise that the process has avoided Industrial action by teachers and others in Victoria. Over the course of the next fortnight teachers and other members of the Teaching Service will vote on whether they support the proposed agreement. In time there are provisions in this proposed agreement that will impact schools into the future, which I will share in due course, assuming of course that it is supported by members of the Victorian Teaching Service.

Again, there are extraordinary events and opportunities that are occurring in our school daily and so much to report. I look forward to sharing more in the coming weeks.

Dear School Community,

We would like to inform you about predicted difficulties servicing school crossings due to staff shortage and Covid-19 isolation requirements.

While we are recruiting new School Crossing Supervisors all year around, we are unable to service all our crossings. For this reason, we are reaching out to you and asking for help to keep school crossings safe together. If you have spare time to assist with covering our school crossings at permanent/part-time or casual capacity, please apply on our website:

In 2021 the Walk to School Day competition was introduced to Chatham Primary School. This is where schools all across Boroondara either have to walk or ride to school. If they did this they would find a chart in their classroom and give the day a big tick. To our greatest surprise, Chatham won! The winner of this competition (us! Yay!) would get a smoothie bike for the day (see next page). Excited as ever, the smoothie bike came today. Every student got a go on the bike and it was so fun! and after that we would either get a delicious, creamy, sweet banana smoothie or, a berry yummy berry juice. This was highly enjoyable for everyone at this school.

Premiers' Reading Challenge

Dear Parents and Carers,

The Premiers' Reading Challenge is now open for all students across the school! This presents a wonderful opportunity for the whole school community to engage in a fun annual challenge that encourages reading routines, develops literacy skills and fosters a lifelong love of reading.

Students in Prep-Year 2 are encouraged to achieve their target of reading 20 challenge books and 10 choice books throughout their participation in the competition. Students in Years 3-6 are encouraged to achieve their target of reading 10 challenge books and 5 choice books throughout their participation in the competition this year. All participants who achieve their goal will be awarded a certificate at Assembly after the competition closes on the 2nd of September, 2022.

Today all students will receive their Premiers' Reading Challenge login access details. Please sign in to log any books from the challenge that your child reads at home. Classroom teachers will also enter the books read with students at school throughout the duration of the challenge. To log books on the challenge, please follow the instructions below:

1. Follow the link: <https://vprc.eduweb.vic.gov.au/home>
2. Click 'Sign in'
3. Click 'VPRC login'
4. Enter your child's username
5. Enter your child's password
6. Click 'Login'
7. Then click on the 'Search Books' button to find and add any books that your child reads at home.

Please don't hesitate to contact your child's classroom teacher if you have any questions.

I wish all students the best of luck throughout their participation in the Premiers' Reading Challenge this year!

Come and join the Chatham Canteen Crew!

Providing nutritious food in our canteen is a vital step in helping kids set up healthy routines and habits for life. Our canteen is run with the help of a crew of volunteers from our school community working together. Your kids will love seeing you lend a hand in the canteen!

If you can spare any time to join our crew and help prepare and serve food at our canteen, we would very much appreciate a hand. It's easy and fun work with on-the-job training and you can dedicate as much or as little time as you like. We have short shifts (9am-12pm or 12.00pm-2.15pm) and long shifts (9am-2.15pm) available on Fridays throughout Term 2. Most volunteers do one shift per month, but we also need a team of on-call volunteers in case someone is unavailable for their regular shift.

If you would like to know more about this fun volunteering opportunity, please contact Belinda Dalton at belindadalton@me.com

MAKE YOUR BAKING COUNT ON ELECTION DAY

As you're all well aware, the Federal Election is next **Saturday, May 21**. We need you, and that means all of you, to bake like you've never baked before. The **Chatham Cake Stall** is world renowned, people come from far and wide to sample our wares. We're not even exaggerating when we say EVERYTHING sells out! Packaging will be distributed next week along with all the instructions, and baked goods can be dropped off to the school on Friday arvo and Saturday morning. If you want to bake more, go for it! There's plenty of packaging to go around. We also need volunteers to help on the day. Please sign up if you're able to spare a few hours: <https://signup.com/go/sZuRcFM>. Stay tuned for more details!

THE CHATHAM CAKE STALL

LET'S BAKE!

Thanks to our Chatham Family for the Mother's Day Memories

Our famous **Mother's Day Stall** certainly didn't disappoint, in fact the feedback has been spectacular. The new, sustainable range went down a treat, and the kids absolutely loved the experience. Thanks to **Meg Fricke, Alice Evans and Jacquie McGowan** and their team of volunteers for organising.

Similarly, the **Mother's Day Breakfast** was a winner and a fantastic way to start the day. A massive thanks to **Claire Thomas, Bec Henry and Jacquie McGowan** for organising and to everyone who volunteered to make it a magical morning.

WHAT'S BEEN HAPPENING

WELCOME BACK TO TERM 2

WEEK 1

We started our week off with a pupil free day program and it was so great to see so many friendly faces. Our theme for the day was Backwards Day and the children had so much fun playing classic games but with a twist, the ultimate favourite was Backwards musical chairs.

During our first week back, we spent some time brainstorming ideas for activities and experiences we would like to do this term. We had so many fantastic ideas and was great to see all the children getting involved.

WEEK 2

Week 2 saw the start of the new Clubs for Term 2 the chosen clubs this term are cooking, STEM, Lego masters, musical theatre and sports clubs.

We also took the chance to thank our mums and other special people in our lives through making bath bombs and cupcakes. The children had so much fun creating these special gifts and were so excited to share what they had made with their families.

Learn Music

here at school

Come and join in the fun of learning to play piano, keyboard, guitar, flute, clarinet, saxophone, violin, drums or trumpet here at Chatham Primary School.

Creative Music for Schools conducts a music program here at school each week.

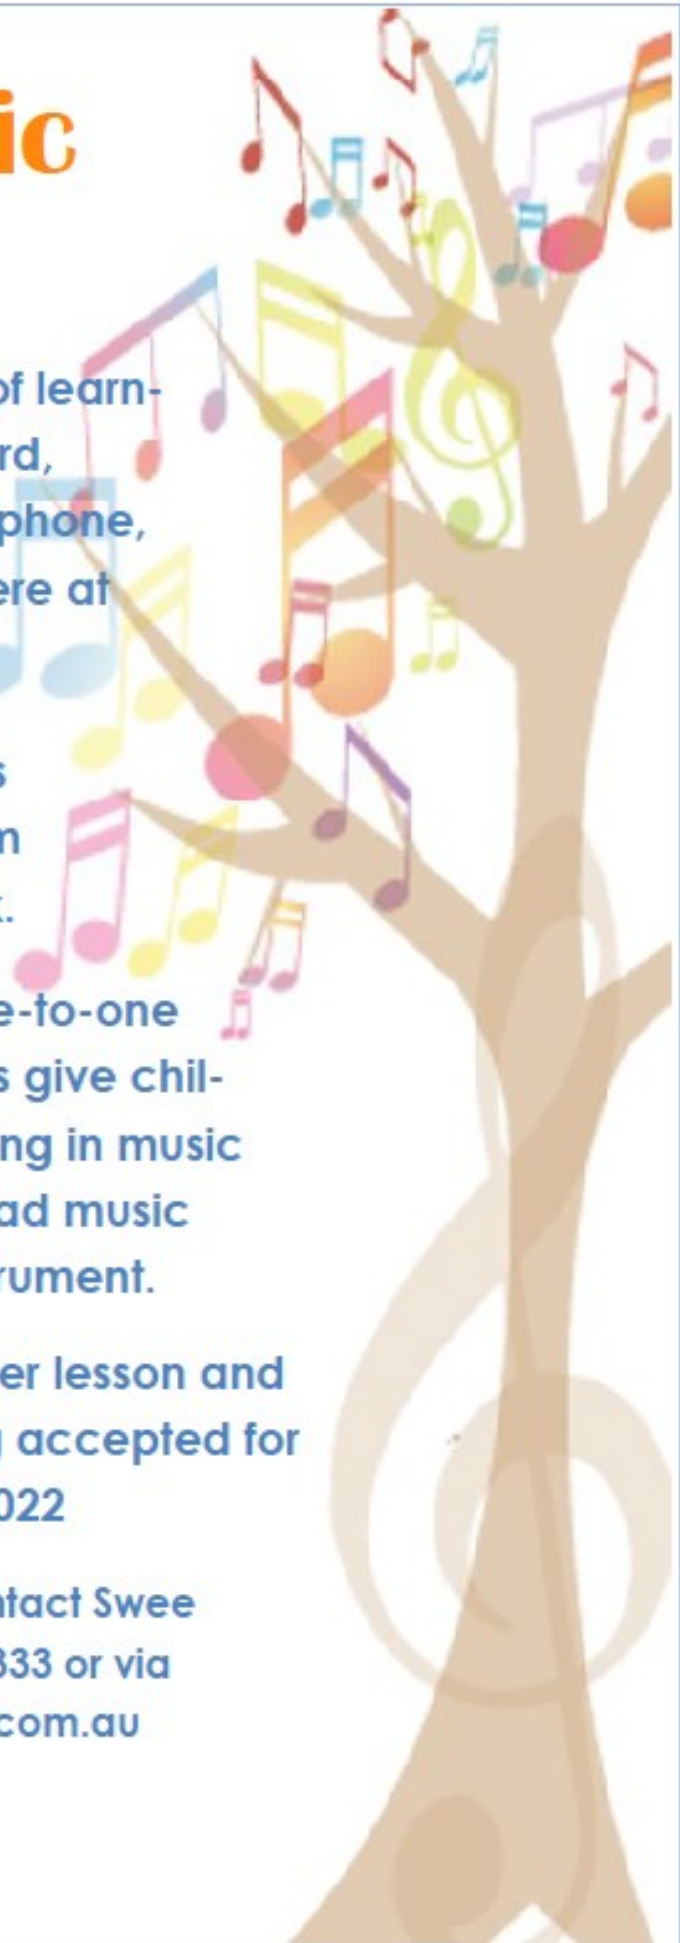

Small group classes or one-to-one lessons of up to 30 minutes give children an excellent grounding in music where they will learn to read music and play their chosen instrument.

Tuition costs from \$24.30 per lesson and enrolments are now being accepted for limited places in term 2, 2022
