Belinda Dalton
Parents' Club President
Chatham Primary School
belindadalton@me.com

Dear Ms Dalton

Thank you for the email correspondence seeking approval of the Chatham Primary School Parents' Club constitution.

In accordance with the authority delegated to me, I am pleased to advise that the constitution has been approved.

The Department recognises the significant role Parents' Clubs make in building a positive community and school spirit, in supporting the principal and school council and in representing the voice of parents and the local community by facilitating communication between parents, friends and the school.

I wish the Club success in its future activities and thank members for their contribution to the school community.

Yours sincerely

Kerrie Ekin Smyth
Director
Group Coordination and Operations Branch
